"My custom painting is gorgeous! Bri was amazing to work with. She created a piece custom to the dimensions for the space where I wanted to place it. She was in communication with me throughout the process while she was making it. I loved that she sent me photos of her work in process. I just received my painting and while the photos were beautiful, it was even better in person. I am thrilled with this unique painting It looks amazing in my living room, I would absolutely recommend purchasing her pieces!"
