INTRODUCTION

Gayatree International had modest beginnings in 2006, That is how we would like to sum ourselves up. We have grown from modest beginnings to one of the most trusted brands of lace making, embroideries and allied products. The reason for our success is not only the trust of our customers, which we have built over the years, but also our team of Dedicated experts & Designers.

Gayatree International has become synonymous with quality products, and is one of the largest manufacturers and dealers of fashion accessories for the garment industry in India. With over 15 years of experience, we are able to keep our edge by constantly improving ourselves with the latest technology and machinery.

Our wide range of products showcases our diversity in manufacturing. We manufacture everything from eyelet embroideries and fabrics, crochet laces and fabrics, nylon laces, rayon laces, embroidered net and chemical fabrics, Croatia, Twill Tapes to name a few. This makes us the one-stop shop for all garment solutions.

We have a spectacular range of fabrics and laces which are used in Garments, Home furnishings, stoles, curtains and Lingerie.

We are capable of handling large quantities and are determined to give timely deliveries with the best quality.

Our quality department upholds our highest standards. We believe in letting our goods do the talking.

Manufacturing Units

Our manufacturing units are situated in prime locations around the Big hub of export houses in Jaipur. Each of our Three manufacturing units specializes in different types of Laces, Fabrics, Embroideries & Dyeing etc.

Our unit has all the facilities in-house where designing, sampling and manufacturing is handled by our highly trained and dedicated technical staff.
