Preparation

Complete a patch test before proceeding with the service. Cleanse the brow area with an oil-free foaming cleanser. Rinse with a damp cotton pad. Ensure brows are dry and free of oils and sebum for optimal results.

Laminate

Apply No.1 Restructuring Bond Solution to both brows using a cotton tip. Gently brush hairs in the desired position. Cover with Brow Wrap. Leave on for 4-7 minutes, depending on hair type:

- 4-5 minutes for very thin or fine brow hairs
- 5-6 minutes for medium brow hairs
- 6-7 minutes for coarse or stubborn hair

Remove the Brow Wrap and use a dry cotton tip or pad to remove the Restructuring Bond Solution.

- 4-5 minutes for very thin or fine brow hairs
- 5-6 minutes for medium brow hairs
- 6-7 minutes for coarse or stubborn hair

Remove the brow wrap and use a dry cotton tip or pad to remove the Neutralising Setting Solution.
