## ✓ Movies/Series Winner

3 Pages

This is separated into 3 pages: All Time, Yearly and Monthly.

- All Time Page: You have to select your Top 10 Movies or Series of all time and add their Posters accordingly from 1 to 10
- Yearly Page: Each Year you have to select a winner for Movies and a winner for Series as the Best one
- Monthly Page: Each Month you have to select a winner for Movies and a winner for Series as the Best one

## ✓ Movies/Series Challenges

3 Pages

The Challenges are separated into 3 Pages: 30 Series/Movies, 120 Series/Movies and A-Z Series/Movies

**30 Series/Movies:** Start with this challenge and try to finish it as fast as possible. Every Movie/Series you finish, you can then add its Poster in the page

**120 Series/Movies:** This one will take a bit of time to finish, but you can do it! Just don't add the 30 Series/Movies you watched from the first challenge

**A-Z Series/Movies:** This one is the hardest because you have to watch a Series/Movie that starts with each letter from A to Z!

# Digital Planner Cover

This is the First Page

You can start by clicking on the Power Icon in the Center

Plus, if you click on “Posters Download” or “Stickers Download”, you will be redirected to 2 websites to download Posters and Stickers for Free

This Page has the same Functionality for both Files “Movies Digital Planner” and “Series Digital Planner”

## Quick Tips

This header is available in each Page throughout the whole pdf file.

You have 5 buttons:

- Watchlist: It will take you to the first Watchlist Page.
  - Tracker: It will take you to the first Tracker Page.
  - Power Icon: It will take you to the first Library Page
  - Winner: It will take you to the first Winner Page
  - Challenges: It will take you to the first Challenge Page
- 

This is the header inside Goodnotes:

To be able to click on the hyperlinked buttons, Posters, etc. Make sure that the 3 icons (Pen, Keyboard and Mic) are not selected.

This way, you will be able to go through all the Digital Planner and checking it out without editing it.

You can start writing and adding Stickers, Pictures, and Posters by simply clicking on the Pen in the Top Bar.

You will find various tools to get creative while adding your watched Movies & Series!

If you don't have a Pen or you are using your computer instead of an iPad, simply click on the [T] instead of using the selected Pen in the image above.

To add images, stickers, etc. Simply click on the image icon next to the [T], it will open your media library (such as "Photos" on iPhone). You can then select any photo and import it straight in the page you are on.

Also, you can simply drag and drop images, stickers instead of importing them through the image icon.

# Movies/Series Library

After Clicking on the Power Icon, you will be redirected to this page (Page 2 of the pdf).

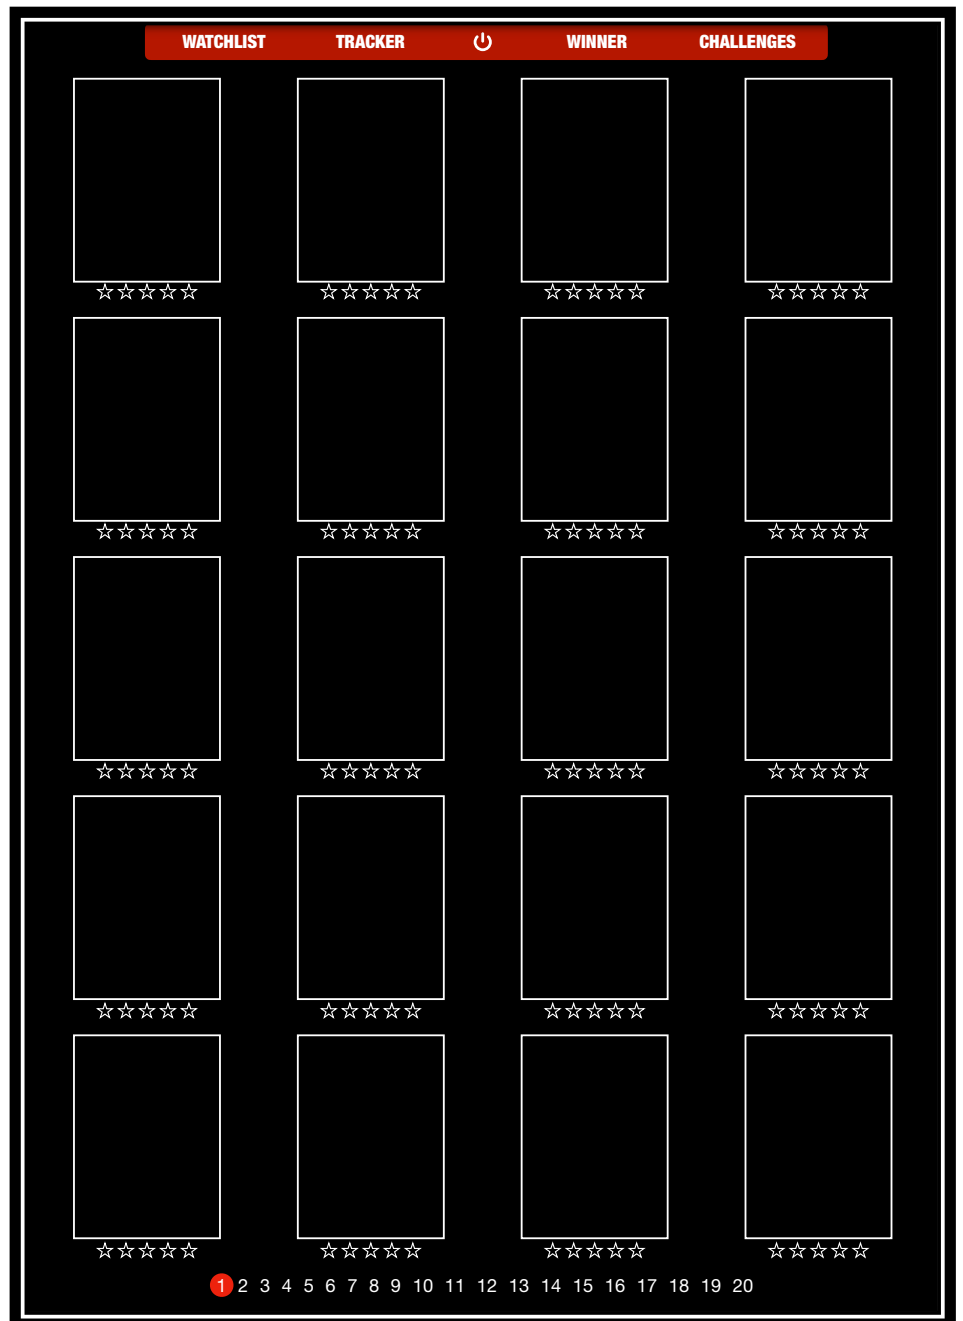

This is the Movies/ Series Library where you will add your Posters of your watched Movies and Series, and you can quickly rate each Title by simply coloring or crossing the 5 Stars below each Poster.

When you are not in "Edit Mode" You can click on any Poster, it will take you to its respective "Review Page"

At the bottom, you can find numbers from 1 to 20

These are the Pages of the Movies/Series Library.

Total Pages: 20  
Total Posters: 400 in each PDF

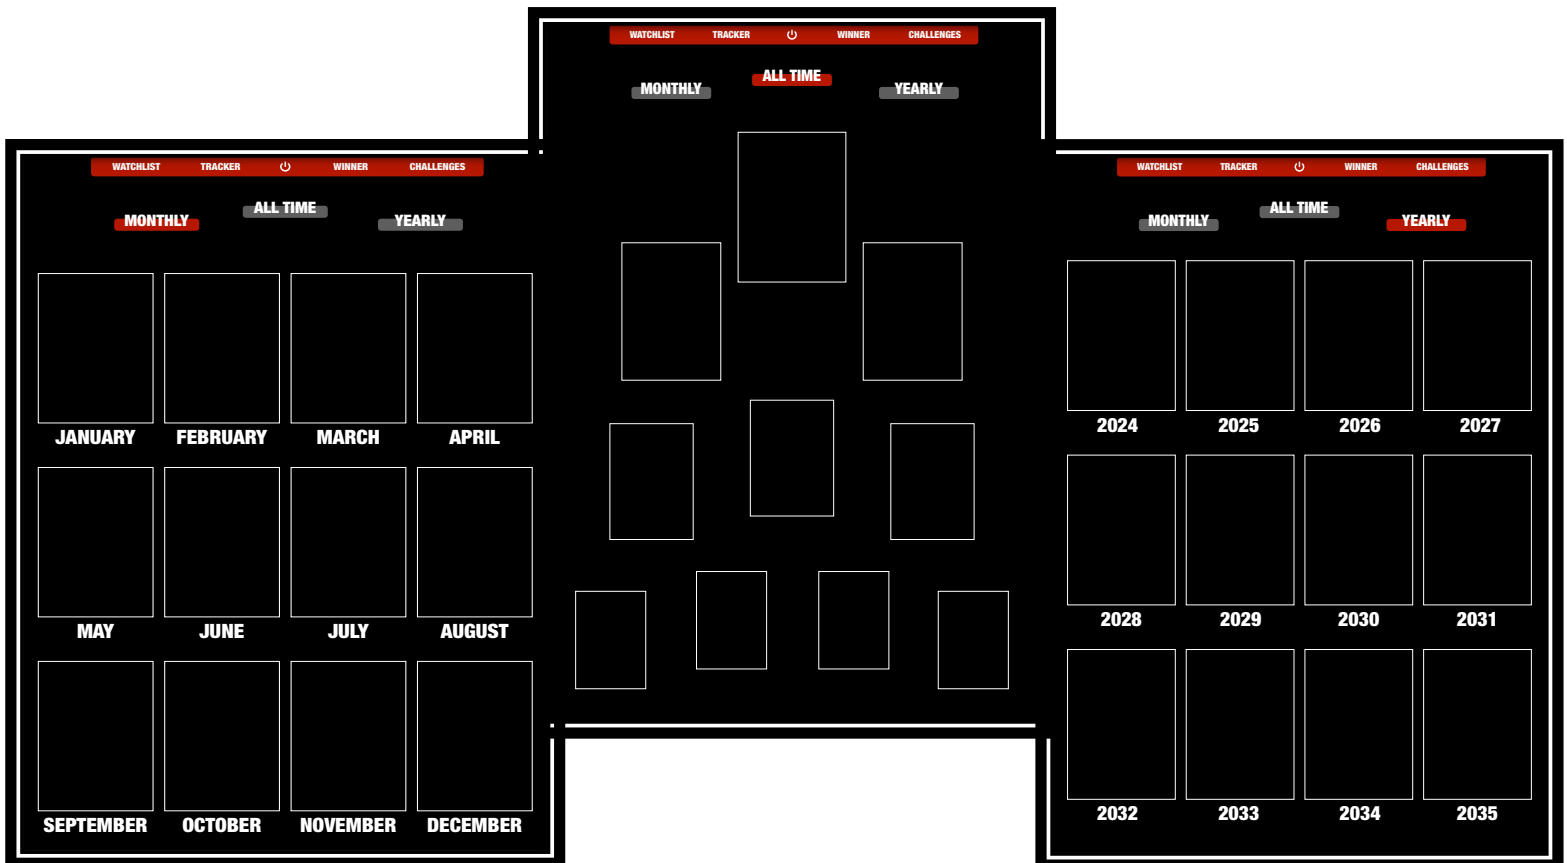

# Movies/Series Tracker

You will need this page if you watch a lot of Movies and Series simultaneously. Same as the Watchlist, you can add general details about your Movies/Series, keep track of your watched episodes, and give your impression about it in 1 word.
