

# SCULPTURAL SIDE TABLE

This stylish sidetable features off-centre stacked timber disks, crowned with a warm travertine tabletop. The fossil-style of the design is accentuated by chiseled stone edges.

## DIMENSIONS

50 x 50 x 50(h) cm

## MATERIALS

- Solid Suar Timber - Natural Satin Finish.
- Travertine stone top with chiseled edge

## CARE INSTRUCTIONS

Travertine / Stone:

- Protect from heat
- Avoid acidic and corrosive liquids
- Wipe with a soft clean cloth, damp with water.

Timber:

Note: Solid timber will expand due to varying environmental conditions. This may cause splits, which is considered normal and not a fault, rather a natural characteristic.

Shipping note: this is a heavy item.
