# World Book Encyclopedia 2024

The magnificent and best 22 volume print set written especially for 11 to 20-year-old students

## No other print encyclopedia is more up to date!

**Ideal for classroom research projects, World Book supports the National Curriculum – many readers believe that they take in more from the printed page than from a screen**

*The World Book Encyclopedia* is the only general reference encyclopedia still published today, *The World Book Encyclopedia 2024* provides authoritative content on almost every topic for learners of all ages, from school-age readers (9-18) to adults. Whether you are looking up information to understand a subject or checking a fact for a homework assignment, tens of thousands of index entries make it easy to find information. Abundant colourful photos, illustrations, and maps supplement the easy-to-read text.

Every year, World Book's editors refresh the encyclopedia by adding new and timely articles and updating articles of continuing relevance. Fact-finding skills are more critical today than ever, which is why World Book Encyclopedia continues to be the foundation of libraries and learning institutions across the globe. Whether you are looking up information to understand a subject or checking a fact for a homework assignment, answers are here!
