

⚠ WARNING This product is for use by riders with advanced skill levels. As with all action sports, participants accept an inherent risk of injury. Improper use of this product can result in serious injury. Wear proper protective equipment, including a helmet and protective elbow, wrist, shin and knee pads at all times when using this product. Follow assembly instructions and warnings included.

1. Always make sure the rail is used on flat level surface free of any obstacles such as stones, gravel, or any debris.
2. Keep away from other rails or tailings, walls, swimming pools and automobiles.
3. Do not use on steep hills or slopes.
4. Do not use in wet weather conditions or at night.
5. Always use the rail in places that allow you to improve your skills slowly and safety. Always use in traffic free areas.
6. Never attempt to perform maneuvers for which you are not ready. Be alert at all times.
7. Always check the condition of the rail at all times. Make sure all connections are secure.
8. Check the condition of the rail regularly for damage.
9. Do not use if rail is damaged in any way.

This product is for use by individuals age 7 and up. Maximum weight limit is 220lbs / 100kgs. The user acknowledges and accepts all responsibilities and inherent risk of using this product. Always wear proper protective gear and adhere to all warnings.

By using the ramp(s) and connecting module(s) and grind rail(s) the user acknowledge the foreign dangers, accepts all risks, and accepts the responsibility for use as directed. Failure to use common sense and to follow the above warnings increases the risk of serious injury.
