# Finca

A Creative Heritage

New Colour for Summer 2023

# 01

The Maker's Collection draws on the Heritage of the Dudson brand and creative ceramic crafts. Finca is a multi-tonal print that mimics the worn textures of rustic interiors and architectural designs. Crafted and creative, Finca is finished in a semi-matte, hand dipped glaze, enhancing the character of the collection and leaving original 'makers marks' on the reverse of each piece. Decorated in-glaze for industrial purpose, The Maker's Collection is designed for professional use. Introducing Finca Flint, a refreshing and organic green and the third Finca colour within the collection. Available on organic rounds, innovative walled plates and beverage items.

La colección Maker's Collection se basa en el legado de la marca Dudson y en la artesanía cerámica creativa. Finca es un estampado multicolor que imita las texturas gastadas de interiores rústicos y diseños arquitectónicos. Un diseño creativo, Finca tiene un acabado en un esmalte semimate, sumergido a mano, que realza el carácter de la colección y deja "marcas originales" en el reverso de cada pieza. Decorada con esmalte para resistencia industrial, la colección Maker's Collection está diseñada para uso profesional. Presentamos Finca Flint, un verde refrescante y orgánico y el tercer color dentro de la colección Finca. Disponible en piezas redondas orgánicas, platos con ala elevada y artículos de bebidas.

Die Maker's Collection bewahrt das Erbe der Marke Dudson und des kreativen Töpferhandwerks. Finca ist ein mehrfarbiger Druck, der die aufgeriebenen Strukturen alter Industriehallen und deren architektonischen Besonderheiten nachahmt. Finca ist handwerklich und kreativ und wird mit einer halb-matten, von Hand getauchten Glasur veredelt, die den Charakter der Kollektion unterstreicht. Auf der Unterseite jedes Artikels sind die Spuren eines von Hand gefertigten Geschirrs bewusst sichtbar belassen, um genau diesen Charakter zu bewahren. Die ganze The Maker's Collection ist für den Gebrauch in der Gastronomie konzipiert und mit einer Glasur versehen, die für höchste Widerstandsfähigkeit sorgt. Wir stellen Finca Flint vor, ein erfrischendes und organisches Grün und die dritte Finca-Farbe innerhalb der Kollektion. Erhältlich auf organischen runden Tellern, innovativen Walled Plates und auf eingien Tassengrößen.

La Maker's Collection attinge al patrimonio del marchio Dudson e all'artigianato creativo. Finca è una stampa multi-tono che imita le trame consumate di interni rustici e disegni architettonici. Realizzato e creativo, Finca è rifinito con uno smalto semi-opaco, immerso a mano, esalta il carattere della collezione e lascia segni originali 'maker' sul retro di ogni pezzo. Decorata con smalto per uso industriale, la collezione Maker è progettata per un uso professionale. Vi presentiamo Finca Flint, un verde biologico rinfrescante e il terzo colore Finca della collezione. Disponibile su tondi organici, walled plates e caffetteria.

The Maker's Collection s'appuie sur le patrimoine de la marque Dudson et sur la créativité de l'artisanat. Finca est un motif multicolore qui imite les textures des intérieurs rustiques et des conceptions architecturales. Artisanal et créatif, Finca est protégé par une émail semi-mat, trempé à la main, mettant en valeur le charme de la collection. Le tampon de la marque du fabricant figure au verso de chaque création. Décorée sous émail pour une résistance optimale, The Maker's Collection est conçue pour un usage professionnel. Finca Flint, un vert rafraîchissant et organique, est la troisième couleur Finca de la collection. Disponible sur les formes rondes organiques, les assiettes à bords droits et la cafétérie.

Harvest Grain deriva della collezione originale, caratterizzato da uno smalto irregolare che riflette i grani naturali e terrosi presenti nei terreni agricoli, riecheggiando la vera filosofia farm-to-fork. Decorato sotto-smalto, Harvest Grain è finito con uno smalto lavorato manualmente. Presentiamo Harvest Grain Speckle Green, disponibile su piatti di forma organica, caratteristici pezzi rettangoli e i contemporanei Walled plates.

Rustic Coastal Charm

New Colour for Summer 2023

# 06

 The Harvest Mediterranean design captures the charm of Southern Europe, taking inspiration from the hand-painted ceramics of the region's coastal countries. Harvest Mediterranean features mix and match patterns, so is perfect for creating an eclectic tabletop look. Hand-finished with the signature Harvest edge band, the rustic Mediterranean design is perfect for mixing with other colours in the Dudson portfolio. New in Harvest Mediterranean is a rustic Terracotta colour alongside contemporary walled plate shapes within the Ink colourway.

 El diseño de Harvest Mediterranean captura el encanto del sur de Europa, inspirándose en las cerámicas pintadas a mano de los países costeros de la región. Harvest Mediterranean presenta diseños diferentes, por lo que es perfecto para crear una apariencia de mesa ecléctica. Acabado a mano con la nueva banda de borde de Harvest Ink, el diseño rústico mediterráneo es perfecto para mezclar con otros colores en el portafolio de Dudson. Lo nuevo en Harvest Mediterranean es un color terracota rústico junto con formas contemporáneas de platos con bordes elevados dentro de la combinación de colores Ink.

 Das Design Harvest Mediterranean fängt den Charme Südeuropas ein und lässt sich von der handbemalten Keramik der Küstenländer inspirieren. Harvest Mediterranean bietet viele Musterkombinationen und eignet sich daher perfekt für einen gut gestylten Look auf dem Tisch. Das rustikale mediterrane Design wurde von Hand mit dem frischen Harvest Ink Randstreifen veredelt und eignet sich perfekt zum Mix&Match mit anderen Farben aus dem Dudson-Portfolio. Neu bei Harvest Mediterranean ist eine rustikale Terracotta-Farbe neben den modernen Walled Plates in der Farbvariante Ink.

 Il decoro Harvest Mediterranean cattura il fascino dell'Europa meridionale, prendendo ispirazione dalle ceramiche dipinte a mano dei paesi costieri della regione. Harvest Mediterranean presenta fantasie miste e abbinare, quindi è perfetto per creare un look eclettico per la tavola. Rifinito a mano con il bordo Harvest Ink, il decoro rustico Mediterranean è perfetto per essere combinato con altri colori dell'assortimento Dudson. Harvest Mediterranean è un colore Terracotta rustico che completa i walled plates della collezione Ink.

 Le design Harvest Mediterranean capture le charme de l'Europe du Sud, en s'inspirant des céramiques peintes à la main des pays côtiers de la région. Harvest Mediterranean présente trois motifs différents, il est donc parfait pour créer un look éclectique sur table. Le rebord Harvest Ink est déposé à la main et le design méditerranéen rustique est parfait pour être mixé avec les autres couleurs Dudson. La nouveauté de Harvest Mediterranean est une couleur rustique Terracotta, ainsi que des formes contemporaines d'assiettes à bords droits en coloris Ink.

Handcrafted & Authentic

## 09

Harvest's genuine hand finished pieces reflect the 'farm-to-table' philosophy so popular in today's dining out culture. Every piece is individually glazed by hand leaving an original 'makers mark' on the reverse, highlighting the handcrafted nature. All pieces also feature a hand finished sponged rim, which naturally drips to create a unique piece. Individuality does not come at the expense of quality. Harvest products are made in England using the Dudson Finest Vitrified ceramic body. From casual to fine dining restaurants and everything in between, Harvest's industrial toughness stands up to everyday use in a professional kitchen environment.

Las piezas genuinas terminadas a mano de Harvest reflejan la filosofía "de la granja a la mesa" tan popular en la cultura actual de salir a cenar. Cada pieza está esmaltada individualmente a mano, dejando una "marca original" en el reverso, resaltando la naturaleza artesanal. Todas las piezas también cuentan con un borde acabado a mano, que naturalmente gotea para crear una pieza única. La individualidad no se obtiene a expensas de la calidad. Los productos Harvest se fabrican en Inglaterra utilizando el cuerpo cerámico vitrificado Finest de Dudson. Desde restaurantes informales hasta elegantes y todo lo demás, la dureza industrial de Harvest resiste el uso diario en un entorno de cocina profesional.

Die echten, handgefertigten Stücke von Harvest spiegeln den Trend "Vom Bauernhof auf den Tisch" wider, der in der heutigen Gastro-Kultur so beliebt ist. Jedes Stück wird einzeln von Hand glasiert und hinterlässt auf der Unterseite gewollte Spuren der Fertigung, die den handwerklichen Charakter unterstreicht. Alle Stücke sind außerdem mit einem von Hand aufgetragenen Rand gemalt, der auf natürliche Weise verläuft und tropft, so das jedes Teil ein Unikat ist. Individualität geht nicht auf Kosten der Qualität, denn Harvest-Produkte werden in England aus Dudson Finest Vitrified Rohstoff hergestellt. Ob in der Freizeitgastronomie oder in der gehobenen Gastronomie - die industrielle Robustheit von Harvest hält dem alltäglichen Gebrauch in einem hochfrequentierten Gastronomiebetrieb stand.

I pezzi rifiniti veramente a mano Harvest rispecchiano la filosofia "dalla fabbrica alla tavola" così comune nella cultura del pasto fuori casa di oggi. Ogni pezzo è singolarmente smaltato a mano lasciando un "makers mark" originale sul fondo, per sottolineare la natura del fatto a mano. Tutti i pezzi presentano anche un bordo rifinito a mano, il quale sgocciola naturalmente per creare un pezzo unico. L'unicità non va a scapito della qualità. Gli articoli Harvest sono prodotti in Inghilterra usando il corpo ceramico Dudson Finest Vitrified. Dai ristoranti informali a quelli raffinati e tutto il resto, la robustezza industriale Harvest regge l'uso quotidiano delle cucine degli ambienti professionali.

Les assiettes finies à la main de la gamme Harvest reflètent la philosophie « Terroir » si populaire dans la culture gastronomique d'aujourd'hui. Chaque pièce est émaillée individuellement à la main, et la « marque originale » de la gamme est tamponnée au verso. L'origine artisanale est ainsi mise en évidence. Les assiettes disposent également d'une tranche époncée finie à la main où l'émail s'égoutte naturellement pour donner un aspect original. L'originalité ne se fait pas au détriment de la qualité. Les assiettes Harvest sont fabriquées en Angleterre en céramique vitrifiée raffinée de chez Dudson. De la gastronomie simple à sophistiquée, la résistance mécanique et thermique de la gamme Harvest permet une utilisation quotidienne et intensive dans tous les établissements de restauration.

# Terrazzo

Decorative & Abstract

# 11

Terrazzo is inspired by the Italian decorative technique of combining fragments of marble and glass to create a speckled abstract pattern. Popular in the 1970's, the use of Terrazzo has made a comeback in the hospitality interiors of today. The conceptual, fragmented pattern is available in Green and Blue, adding a splash of retro revival colour to any tabletop. A colourful range, Terrazzo heightens the presentation of casual food styles, from street food to sharing plates and gastro bars. Reactive texture within the print produces a variance in effect and colour, so every piece retains individual character. Manufactured in the Dudson Finest Vitrified ceramic body, Terrazzo's industrial toughness stands up to everyday use in a professional kitchen environment.

Terrazzo está inspirado en la técnica decorativa italiana de combinar fragmentos de mármol y vidrio para crear un diseño abstracto moteado. Popular en la década de 1970, el uso de Terrazzo ha vuelto a los interiores de la hostelería de hoy. El diseño conceptual fragmentado está disponible en verde y azul, agregando un toque de color retro revival a cualquier mesa. Terrazzo, una gama colorida, realza la presentación de estilos de comida informal, desde comida callejera hasta platos para compartir y bares gastronómicos. La textura reactiva dentro de la impresión produce una variación en el efecto y el color, por lo que cada pieza conserva el carácter individual. Fabricado con el cuerpo cerámico vitrificado Dudson Finest, la dureza industrial de Terrazzo resiste el uso diario en un entorno de cocina profesional.

Terrazzo ist von einer italienischen Dekorationstechnik inspiriert, bei der Fragmente von Marmor und Glas zu einem gesprenkelten abstrakten Muster kombiniert werden. In den 1970er Jahren populär, hat die Verwendung von Terrazzo in den Innenräumen der heutigen Gastronomie ein Comeback erlebt. Das konzeptuelle, fragmentierte Muster ist in Grün und Blau erhältlich und verleiht jedem gedeckten Tisch einen Farbtupfer Retro. Terrazzo ist eine farbenfrohe Produktreihe für Präsentationen legerer Essstile, von Street Food über Food Sharing bis Bistros und Pub-Gastronomie. Die reaktive Struktur innerhalb des Drucks von Terrazzo erzeugt eine Varianz in Effekt und Farbe, so dass jedes Stück seinen individuellen Charakter bewahrt. Hergestellt aus Dudson Finest Vitrified Scherben, hält Terrazzo den hohen Belastungen der heutigen Gastronomie stand.

Terrazzo si ispira alla tecnica decorativa italiana di combinare frammenti di marmo e vetro per creare un motivo astratto maculato. Popolare negli anni '70, l'uso del Terrazzo è tornato alla ribalta negli interni dell'ospitalità di oggi. Il motivo concettuale e frammentato è disponibile in verde e blu, aggiungendo un tocco di colore revival retrò a qualsiasi tavola. Una gamma colorata, Terrazzo esalta la presentazione di stili alimentari casual, dallo street food alla condivisione di piatti e gastro bar. La trama reattiva all'interno della stampa produce una variazione nell'effetto e nel colore, quindi ogni pezzo conserva un carattere individuale. Prodotto nel corpo in ceramica vetrificata Dudson Finest, la consistenza industriale di Terrazzo resiste all'uso quotidiano in un ambiente di cucina professionale.

Terrazzo s'inspire de la technique de décoration italienne qui consiste à combiner des fragments de marbre et de verre pour créer un motif abstrait moucheaté. Populaire dans les années 1970, l'utilisation de Terrazzo a fait son retour dans la décoration contemporaine. Le motif conceptuel et fragmenté est disponible en vert et en bleu, ajoutant une touche de couleur rétro-révolutionnaire à tous les dressages sur table. Une gamme colorée, Terrazzo sublime tous les dressages : de l'assiette bistro à l'assiette à partager. La texture réactive de l'impression produit une variation d'effets et de couleur, de sorte que chaque pièce conserve son caractère individuel. Fabriqué dans le corps en céramique Dudson Finest Vitrified, Terrazzo a la performance industrielle nécessaire pour résister à un usage intensif et quotidien en cuisine professionnelle.
