Much of Kentucky's musical heritage is steeped in the traditions of Appalachia, an area largely influenced by settlers from Scotland and Ireland. *Appalachian Morning* acknowledges these pioneers with a musical walk through the woods and mountains of the Cumberland Gap. This lovely composition allows for a moment of reflection and lyrical expression on any concert program.

NOTE FROM THE EDITOR

All Belwin string parts have been carefully bowed and fingered appropriately by level. The Yellow Very Beginning series includes many bowings as well as reminder fingerings for first-time readers. The Red Beginning series includes frequent bowings to assist younger players. Fingerings for altered pitches are often marked. The Green Intermediate series includes appropriately placed bowings for middle-level students. Fingerings and positions are marked for notes beyond first position. The Blue Concert series includes bowings appropriate for the experienced high school player. Fingerings and position markings are indicated for difficult passages.
