covered area (m ²)	10.0	21.0	31.0	43.0	57.0
weight (kg)	33	40	52	57	65

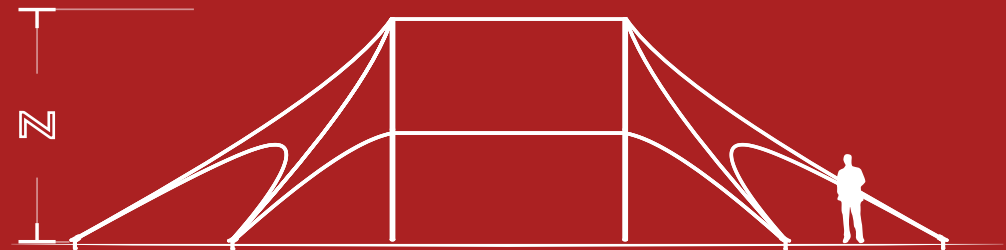

STAR MARQUEE is a round star tent with a single central pole. It can be used in a variety of events, from a small beach event, roadshow, product launch or a big party or concerts.

DOUBLEPOLE

STAR MARQUEE double pole is an elliptical star tent with two central poles. With a large opening along one of the sides, it is ideal for use as a stage or for hosting big events.

Star Marquee is a simple and effective brandable structure for any event. By using just one or two solid central poles you can aesthetically cover a large area. It is possible to organize any type of outdoor event with a Star Marquee as it fits just as good for an extreme sporting event as for a private wedding party. It is designed to create a wow effect.
