

SXE395 ELLIPTICAL

The SXE395 was designed with 20 levels of electronic incline and 3 foot pedal angle settings to keep your workout challenging and effective. Proper ergonomics and biomechanics, a solid feel, important workout data feedback, and effective programs will help you stick with your exercise routine and achieve your long term fitness goals.

SXE395 ELLIPTICAL

- 7.5" (190.5mm) Bright blue backlit LCD screen with separate Muscle Activation Profile and HR % Profile LED displays.
- Electronic incline provides 20 levels of adjustment to modify your elliptical pedal pattern.
- Remote Handlebar Toggles for both resistance and incline allow for secure workout changes without taking your hands off the handlebars.
- Dual track system with concave roller wheels for added stability and durability.
- Contact and wireless heart rate monitoring options make your workouts more effective (chest strap transmitter included).
- Adjustable cooling fan and dual speakers with audio jack for comfort and entertainment.
- Bluetooth compatible with SPIRIT FIT App to monitor and record your workout data.

CONSOLE

As with any product, a major importance is the user interface. We focused on making everything easily accessible and comfortable: adjustable console angle, muscle and heart rate LED profiles, tablet friendly reading rack, adjustable cooling fan, and integrated speakers with audio jack to keep you encouraged to workout longer.
