

FEBRUARY CHARITIES

Teatox Australia

The first recipient for the month of February is the **World Wildlife Organisation** charity who protect the world's most endangered species. Here is a bit of info on the charity, and what they do.

"We work to conserve the world's most important natural places and significantly change global forces to protect the future of nature. Our experts are active at every level—from field work to government—conserving the largest tropical rain forests, the most remote areas of our planet, and the world's most endangered species."

And this month, in the month of February, we have decided to adopt a beautiful Sloth!

Three-toed sloths inhabit the tropical rain forests of Central America. These slow moving tree-dwellers subsist on an herbivorous diet of twigs, buds and leaves. A male sloth usually stays in the same tree for his entire life, but female sloths move after giving birth, leaving her tree to the offspring. Unlike other mammals, sloths cannot regulate their body temperatures, so they can only live in humid, warm environments. For this reason, protection of their Central American habitat is vital to this species' continued survival.

With 100% of the donations going directly to the welfare of the Sloths, we felt that it was a great charity in need of our help! And thanks to you all, we have been able to adopt a Sloth in need for 1 year providing him/her with care, welfare, food, veterinary costs and a rehabilitation programme run by dedicated vets and keepers.

To donate to the World Wildlife Organisation, visit their website at www.worldwildlife.org

Our second recipient for the month of February is the **Oxfam** charity who protect the world's most endangered species. Here is a bit of info on the charity, and what they do.

"Oxfam is a world-wide development organisation that mobilise's the power of people against poverty. We provide people with the skills and resources to help them create their own solutions to poverty."

And thanks to your help, we've been able to donate a large portion of money to this amazing cause!

With your help, we have been able to donate a large amount to Oxfam. We certainly hope it makes you feel as good as it makes us feel helping out these people in need!

Thanks again for allowing us with your help, to make a difference this month.

Much Love - Teatox Australia XXX
