

OCTOBER CHARITIES

Teatox Australia

The first recipient for the month of October was **Barnardos Australia**. For more than 130 years Barnardos Australia has been at the forefront of child protection, finding real, permanent solutions for Australian children in desperate need. We believe all children deserve to be loved and nurtured.

Their history

The history of Barnardos Australia began with the first migration of children from the UK in 1921.

Barnardos Australia takes its values and direction from the work of its founder, Dr Thomas Barnardo, who was an Irish philanthropist and founder and director of homes for poor children in London. From the foundation of the first Barnardo's home in 1870 to the date of Barnardo's death, nearly 100,000 children had been rescued, trained and given a better life..

The work of Barnardos Australia deals particularly with the prevention of abuse and entry into care. Barnardos operates children's family centres, permanency programs for out-of-home care, adolescent services and advocacy work.

The Barnardos family of agencies in the United Kingdom, Ireland, New Zealand and Australia have adapted to local conditions. Incorporated in Australia in 1995, Barnardos Australia still maintains its links to the Barnardos international family.

Our second recipient for the month of October was **Pet Rescue**. PetRescue is an Australia-wide not-for-profit organisation inspiring a whole nation to discover the joy and unconditional love a rescue pet brings.

With the awesome support of our growing community of pet lovers, PetRescue has become Australia's most visited charity website. Every day we bring pet seekers face-to-furry-face with thousands of adorable rescue pets from shelters and rescue groups nationwide, empowering Australians to save over 6,000 lives every month

Their Mission

We are the digital natives harnessing technology and social media to give every independent foster carer, every rescue group and every single one of the community's homeless pets a voice — to reach the public and spread their message.

We help them show Australia that adoption truly is the best option, and bring joy to the whole process.

And we offer all that for free - thanks to the support of our awesome pet-loving donors, partners and sponsors.
