

## NATURAL STONE: LIMITED PRODUCT WARRANTY/CERTIFICATE OF COMPLIANCE

## **1-YEAR LIMITED WARRANTY**

Lunada Bay Tile (LBT) warrants that manufactured products will be free from defects for one year from date of purchase. Defect is defined as a shortfall in the product to perform to specifications as disclosed in product or trade literature, within industry allowable tolerances as set forth in standard, national industry protocols.

This one-year warranty is the sole warranty extended and replaces any statutory warranties to the maximum extent allowable by law. All products must be inspected prior to installation. Visual defects or nonconformities apparent before installation are not covered by this warranty and are specifically excluded. Installation defects or installations that violate industry standards are not covered by this warranty. All warranty claims must be immediately reported. Failure to report any warranty claim within 30 days of defect discovery will void this warranty. Customer misuse including negligence, physical, or chemical abuse is not covered by this warranty.

Natural Stone manufactured products are subject to variation in technical specifications (including COF) due to an inherent variability in raw materials and production processes. Express technical specifications are not guarantees of minimum or maximum thresholds of performance. Stone tile with a rating of V3 or V4 may contain higher levels of variation. Photographic color images may not be an exact product match. Product samples are representative only. Express color match warranties are only extended to actual product samples.

Natural stone products are nature mined and cut from natural formations which may inherently contain high levels of variation. Because these products are mined and cut from natural formations instead of manufactured, quality warranties are limited to the specified representations in trade product literature and guidelines established by the Marble Institute of America. LBT does not warrant natural stone products for shade, size, thickness, warping, cleft variations, surface finish variations, or other natural defects on stone products.

## **IMPLIED WARRANTIES**

LBT DISCLAIMS ANY AND ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO, WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR USE.

## **REMEDY LIMITATION**

LBT's liability on any claim shall be limited to the purchase price paid for the product. This limited warranty is intended to supplement or supersede all other Federal, State and Consumer Goods Warranty Protection.
