

PureHEPA+

WITH ODOGard®

UL 2998 CERTIFIED
OZONE FREE

Air Purifier

MERV 7 Filtration with ODOGard®

What's in the Plus?

Only Greentech has the filters with the Plus of ODOGard®. Our MERV7 filters are treated with ODOGard, which bonds to odor molecules and changes their molecular structure, rendering the odor inert so it smells like nothing.

Greentech PureHEPA+ with ODOGard®

Ideal for homes, schools, daycare, restaurants, nail salons, offices, public restrooms and more.

Benefits of PureHEPA+ with ODOGard®

NEUTRALIZES TOUGH ODORS

REDUCES VOLATILE ORGANIC COMPOUNDS

REDUCES AIRBORNE PATHOGENS

REDUCES ALLERGENS IN BREATHING SPACE

Effectively Reduces Odors and Volatile Organic Compounds

MERV 7 Filter with ODOGard®

Traps and destroys odors, allergens and other particulates. Greentech has the only air purifiers and filters on the market that use the patented, proprietary ODOGard technology to eliminate odors and volatile organic compounds at the molecular level.

Product Specifications

UNIT

- Model: 1X6338
- Dimensions: 16.1" H (41.0cm) x 12.7" W (32.2cm) x 7.3" D (18.5cm)
- Weight: 9 lb (4.1kg)
- Electrical Input: 120VAC, 60hz
- Power Consumption: 60W
- Decibel Level: 28-53 dB
- Unit Warranty: 1 Year Manufacturer's Warranty

Please review all instructions in Owner's Manual before purifier operation.
