

# pureWash Pro<sup>x2</sup>

## pureWash **Pro X2**

Regular use saves money and energy.

## A Smarter Way to Do Laundry

**pureWash Pro X2 transforms the water going into your washing machine by infusing “activated oxygen”.** This purification process cleans your laundry without the need for hot water or detergents, but still reduces odors caused by bacteria,

mold, and mildew, leaving your laundry fresh and fluffy. pureWash Pro X2 brings proven large scale technology, previously used by hospitals and hotels, into your home in a compact and easily installed system.

# Benefits of pureWash Pro X2

Cleans with  
Cold Water

Uses little or  
no detergent

Reduces Odors caused  
by Bacteria, Mold &  
Mildew

Saves Money with  
Every Wash

Hospital Proven  
Process

Reduces Chemical  
Residue on Your  
Clothes

## Features and Specifications

**Simply connect it to your washing machine** once and pureWash automatically reacts to your wash cycle's operation. Regular use will save energy and money while keeping your laundry fresh and clean.

### UNIT

- Dimensions: 12.2" H x 16.5" W x 3.75" D
- Metric: 310 mm H x 419 mm W x 95.3 mm D
- Weight: 5.5 lb (2.48 kg)
- Water Pressure Required: 40-75 psi
- Water Operating Temperature: Use Cold Water Only
- Accessories: Sprayer Assembly for Household Cleaning, 2 In-line Water Ball Valves, 1 Stainless Steel Water Hose, Mounting Plate and Hardware
- Warranty: 2 Year Limited Warranty

### POWER

- Input: AC 100-240V/50-60Hz
- Output: DC 12V, 3A

### PACKAGING

- Dimensions: 21" H x 7" W x 16" D
- Metric: 533 mm H x 177 mm W x 406 mm D
- Weight: 9lb/ 4.08kg

### TECHNOLOGIES

- Activated Oxygen™-infused water process that increases cleaning strength using 75% less detergent

## To Use This Product Correctly

- 1 Read All Instructions Carefully in User Manual Before Operating Unit.
