### STORAGE REQUIREMENTS

Keep the container tightly closed. Store in a dry, cool and well ventilated place away from incompatible materials such as caustics.

### PRODUCT FEATURES

- Ready-to-use product. No mixing necessary.
- Additives enable the product to penetrate the toughest, water resistant and work hardened emulsions and films.
- Degreases as it dissolves stencils, eliminating the additional step and expense of degreasing chemicals.

### APPLICATION/USE

After ink has been removed from the screen, apply EasiSolv 51 by brush, wipe, scrub pad, or spray to both sides of the emulsion and scrub. Let sit for a minute and then high pressure rinse both sides of the screen. Flood rinse the entire screen with a low-pressure rinse from the top to remove any debris, splashback, and chemical residue.
