Dot Shipping:	Non-hazardous

PRODUCT FEATURES

- For use in machine or by hand
- Water Soluble
- High Flash Point
- Non-hazardous/Non-flammable
- ZDHC MRSL Compliant
- Surfactant boost for improved cleaning

APPLICATION/USE

Scrape excess ink from the screen. Apply EasiSolv 991 to the ink (well) and print side of the screen. Scrub if necessary.

Squeegee excess off the screen. Using a good high-pressure washer, spray rinse the screen starting at the bottom of the ink side and work up. Give good attention to the image area of the screen. Rinse the print side of the screen. Apply an Easiway -approved emulsion/stencil remover.

If stubborn stains remain, apply EasiSolv 701 as a stain remover and high-pressure rinse.

Quart	991-1 QT
Gallon	991-1 GL
5 Gallon pail	991-5 GL
55 Gallon Drum	991-55 GL

STORAGE REQUIREMENTS

Keep the container tightly closed. Store in a dry, cool and well ventilated place away from incompatible materials such as oxidizing agents and acids. Preferable storage is in a location designed for liquids with secondary spill containment.

COMPATIBLE INK TYPES

- Plastisol
- Waterbased
- UV
- Silicone
