

San-O-Tizer

GENERAL DISINFECTANT

Anti-bacterial

Anti-fungal

Anti-viral

Anti-inflammatory

Cell-Repairing

Non-toxic

San-O-Tizer is a fast-acting disinfectant and sanitizing solution that is based on hypochlorous acid. It is effective against a wide range of pathogens and microorganisms, including bacteria, viruses, fungi, and spores. San-O-Tizer is safe and easy to use, making it ideal for general hand, surface, and air disinfection. It can be safely used on all skin types and ages with no hyperallergenic effects or potential health hazards.

Benefits of San-O-Tizer

- Safe for all ages
- Non-toxic and non-irritating to the skin
- Alcohol-free, fragrance-free, and paraben-free
- Non-flammable and non-hazardous
- Easy to use, no wiping or rinsing required
- Safe enough for food or grocery disinfection but effective enough to kill 99.999% of bacteria and germs

Applications

- Hand, body and face
- General and food surfaces
- Transport vehicles
- Personal Protective Equipment and Gear
- Air and Room Disinfection
- Industrial areas, factories and mines
