Our current selection of DIY Kits offers many garment styles with a variety of color and notions choices in our online store. However, we understand that often there's no better design than your own personal expression. Being involved in the design process can be as fulfilling as creating your garment, so we hope this guide filled with garment descriptions and design tools will enrich your making experience. You will find fit descriptions of each garment offered as well as dimensions for home projects, fabric colors, thread colors, paint options, and more.

If you would like help with this process, send us an email or give us a call between 8:00am and 4:30pm CST.

## THREAD AND EMBROIDERY FLOSS

You have the option to add on thread at an additional cost or leave it out of your kit if you have enough in your studio at home.

In addition, spools of embroidery floss are now optional at an additional, discounted cost. Add on one or twenty depending on the level of the stencil and the technique you wish to achieve.

Reference the charts on the following pages (as well as the level noted underneath your stencil of choice) to determine how much thread and/or embroidery floss you'll need for your project.

Please note that the number of spools listed for each garment style and stencil level are estimated and that the actual numbers can vary based on stencil, stitch tension, and a variety of other factors.

## CONGRATULATIONS

You have completed your Custom DIY Kit. We hope that you have enjoyed this design process and that this unique experience will bring you joy as you construct your garment and wear it with pride.

We would love to see your making process and encourage you to share your progress with us and our community of makers across social media using #theschoolofmaking on Instagram and by joining The School of Making Stitchalong Group on Facebook.

xoNatalie and all of us @ The School of Making

We are happy to offer The School of Making Custom DIY Kit service that allows you to make your one-of-a-kind garment. Due to the specific nature of these items, they are non-returnable and non-refundable, so we ask you to please choose thoughtfully and carefully as you complete your design process. We apologize for any inconvenience this may cause.

If you would like help with this process, send us an email or give us a call between 8:00am and 4:30pm.
