

Safe Drinking Water and Toxic Enforcement Act of 1986 (a.k.a. Proposition 65) Warning

Dear Valued Distribution Partner,

We write to provide you with some information regarding California’s Safe Drinking Water and Toxic Enforcement Act of 1986, commonly referred to as Proposition 65 and, in particular, to advise you of the warning requirements for one, or more of our products distributed. As explained below, ingested products may contains naturally occurring amounts of arsenic, cadmium, lead, and mercury. Identified products listed in *Appendix A* of this notice cannot be sold in California without a warning required under Proposition 65. You can get more information at: www.P65warnings.ca.gov

Solstice Medicine Company acknowledges your distribution business model is not limited to the State of California. The products listed in *Appendix A* purchased from Solstice Medicine Company may be further be sold and distributed to customers outside the State of California. It is your firm’s responsibility to ensure any products listed in *Appendix A* have prominent and conspicuous warning at the point of sale in California. Furthermore, you must appropriately notify those customers the product may expose a person to certain chemicals listed by the State of California which are known to cause cancer, birth defects, or other reproductive harm.

Solstice Medicine Company herby notifies your firm that *Appendix A* products require a clear and reasonable warning to California based customers before knowingly and intentionally exposing them to listed chemical(s) as per California Health and Safety Code Section 25249.5 ET SEQ (hereinafter listed as P65). For more information go to: <https://oehha.ca.gov/proposition-65>

Solstice Medicine Company will ship *Appendix A* product without a warning statement because your firm is requesting Solstice provide products listed in *Appendix A* without any on-product P65 warnings. Solstice is willing to comply with your request under the following conditions:

- 1) Your firm sign this acknowledgment letter, commit to take all responsibility warning the California customers/consumers in full compliance with the regulations, and return the signed responsibility and indemnity letter to us.
- 2) Your firm apply appropriate P65 warning stickers when sales are to California residents and be willing to send working examples upon our request.

Proposition 65 requires either of the following warning statement formats.

Short Format Warning

⚠ WARNING: Cancer, Birth Defects, Reproductive Harm – www.P65Warnings.ca.gov

Full Format Warning

⚠ WARNING: This product can expose you to chemicals including arsenic and lead, which are known to the State of California to cause cancer, birth defects or other reproductive harm. For more information go to – www.P65Warnings.ca.gov

As a potential California distributor you agree to indemnify and hold harmless Solstice Medicine Company for any loss, damage, claim, injury, or expense, including attorneys’ fees, asserted against any of them, by reason of any injury, demand, claim or suit arising out of negligence its/her/his employees and/or agents, in connection with distributing of unlabeled products in the State of California.

We are available to answer questions you may have.

IN WITNESS WHEREOF, the parties have executed this Notification and Agreement as of the date written below.
