CUSTOMISE YOUR UNIQUE NETBALL

Customised netballs can be purchased by clubs, schools and businesses.

Match quality netballs for game and training use or as a gift.

Never lose a ball again! Your unique design will stand out from competitors with your club colours, logo and choice of text. Invite sponsors to cover the costs in exchange for adding their logos to the balls

Custom balls are ordered in July-September each year for delivery in January-February

Choose from our templates!

Product

- Made from rubber for extra grip during wet weather events
- All measurements are compliant with the International Netball Federation
- Avoid use on rough surfaces to reduce wearing
- Do not store netballs in hot conditions
- · Netballs can be cleaned with warm soapy water when required

Inflation

- PSI must be checked before use
- Inflate to 55-64kPa of pressure
- · Do not sit on netballs
- · Moisten needle before inflation
