

Bagrry's®

**REAL INGREDIENTS,
HONEST RECIPES**

SINCERITY THE REAL TASTE MAKER

"We believe that access to nutritious and high quality food is a right, not a privilege. The market today is packed with unhealthy foods as well as many products that have a perception of health, but in reality may not be good for you. As a food manufacturer, it is our responsibility to provide our consumers with honestly healthy products."

Shyam Bagri,
Founder, Bagrry's Group

50 YEARS OF LEGENDARY GOODNESS

With a legacy of over 50 years we have mastered the art of crafting grains & enriching goodness of grains to bring delicious & extra crunchy breakfast to your table. With a tagline '**Let's put health first!**' we make products that are healthy, honest, innovative and of exceptional quality. Bagrry's has been a pioneer in India for products such as Muesli, Oats, Bran and our range now includes many more healthy foods. Over the years, we have created products that have helped our consumers live a fit and healthy lifestyle.

CORE VALUES

FINEST INGREDIENTS

At Bagrry's, we strive that only the best ingredients make it into our products.

HONESTLY HEALTHY

At Bagrry's, care is taken in every step of our manufacturing processes to ensure that the natural goodness of our products is preserved all the way.

INNOVATION

Brought Brans to India. Made Corn Flakes healthy, a global first. From packaging innovation to product innovation with Western and Indian ingredients, we never stop evolving.
