

DESKY

Pro+ Ergonomic Chair

Instruction Manual

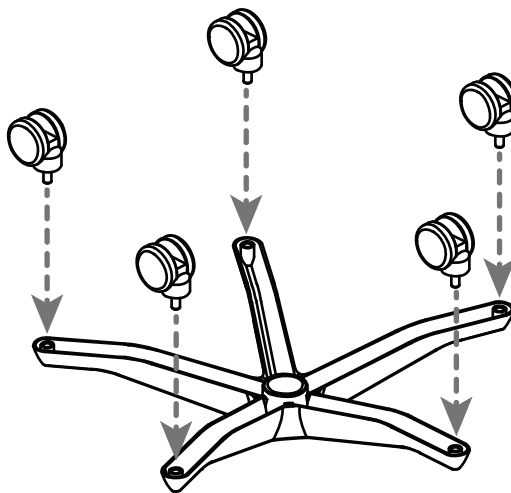

PARTS

Main Body 	Casters QTY 5 	Arms QTY 2 	Gas Cylinder 
Base 	M6x30mm Screw QTY 2  (pre-installed in arms)	M6x45mm Screw QTY 2  (pre-installed in main body)	5mm Allen Key 

STEPS

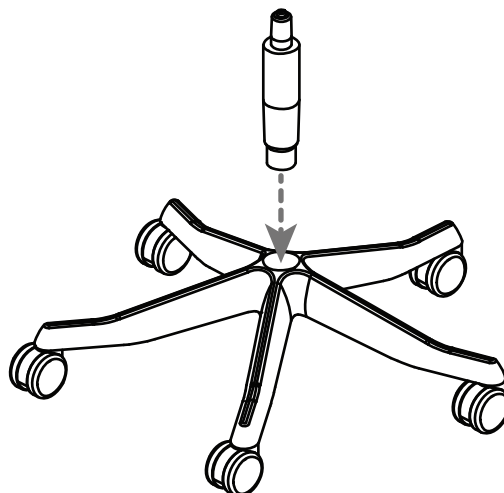

1

Insert the 5 casters into the chair base.

2

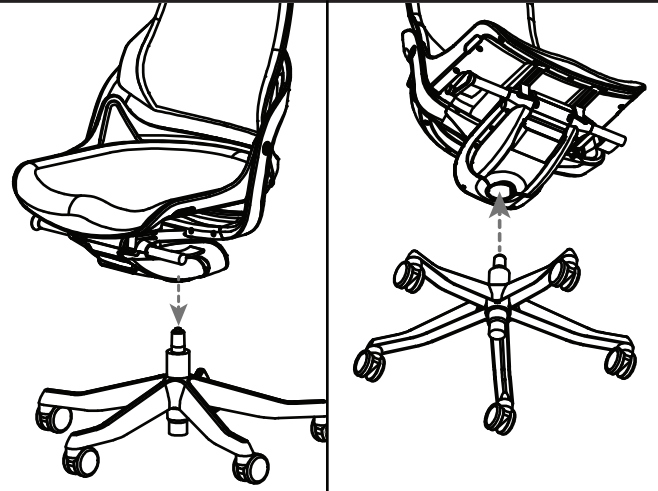

Insert the gas cylinder into the chair base with the thinner section pointing away from the caster wheels

STEPS

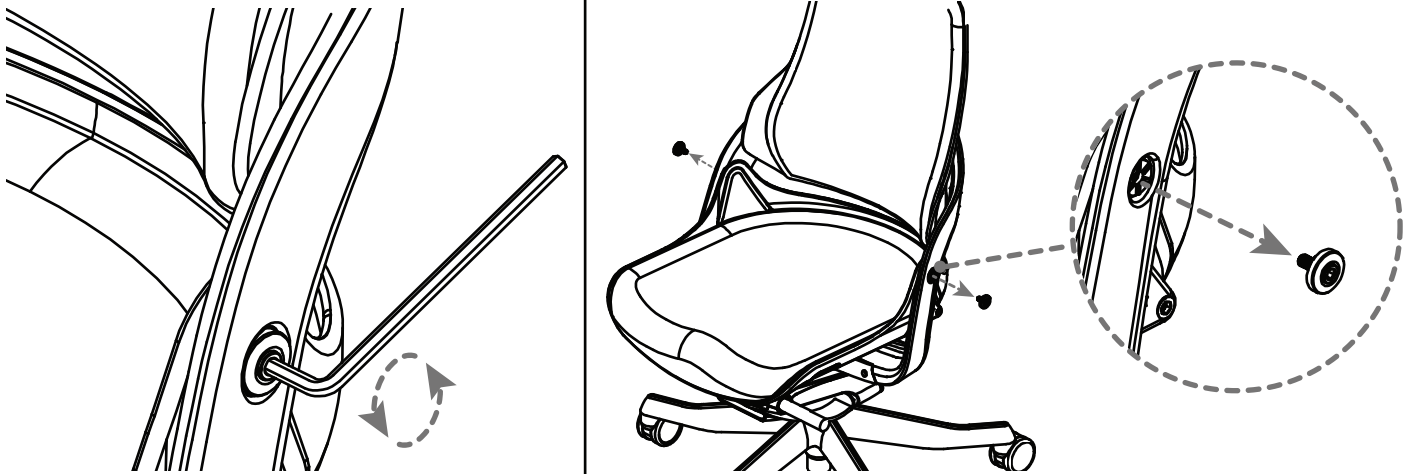

3

Insert the tip of the gas cylinder into the underside of the main body of the chair. Sit on the chair to firmly engage the cylinder.

4

You can use the chair with or without the armrests. Two longer screws for the armrests are pre-installed in the main body, to attach the armrest please use the Allen key to remove the grey bushing and screw from either side of the chair. The grey bushing is not required when using the armrests.

5

Re-insert the longer hex screw into the top hole of the armrest and the smaller one into the bottom. Face the armrests towards the front of the chair and align the screws into the holes on the main body.
