

Luminous Mesh Chair

The Luminous executive mesh chair is the perfect chair for the busy executive. The Luminous has a modern stylish look with a mesh back and white arm rests and base.

Suited to all tasks with a synchro mechanism to allow exact seat and back position setting and adjustable arms, with a generous size upholstered seat and breathable mesh back for ultimate executive comfort.

Complies with accredited green and performance standards and backed by a 10 year warranty.

Finishes:
