

The Elegant Frame Tents

The smooth, graceful lines of the Frame Tents conceal a durable yet simple frame. A favorite tent for special event, fair, trade show and food service use.

Frame Tents are user-friendly as well as attractive for any party or event with a lightweight frame and easy setup. The canopy is double-curved for both beauty and wind stability while a flying centre pole supported by diagonal cables gives an obstruction-free interior. Featuring interchangeable parts, this tent is also great for streamlining your rental inventory.
