SPECIAL *Event* SALES

7063

Letter from the CEO

It has been an exciting time at Special Event Sales. In the fall of 2021, we moved to a new warehouse facility in East Edmonton. This new facility has helped increase the efficiency of our warehouse operations.

In the spring of 2022, we opened our Eastern Canadian warehouse in Woodstock, Ontario, which is close to Toronto. Having inventory in Eastern Canada makes one-day shipping to most of Ontario and Quebec a reality. Customers are also welcome to pick up inventory at either location.

We completely revamped our website and introduced live inventory availability along with online purchasing capabilities. Our new website is a great resource for equipment features, inventory availability, and pricing.

This new printed catalogue is the first that does not show pricing. With the events of the last few years, costs have been very volatile, and we encourage you to visit our website for current pricing. After a couple years of sky-high container costs, we are seeing rates come back down to reasonable levels.

Recently, we have happily reduced some of our prices as these shipping costs have come down.

We are proudly continuing to partner with Herculite for our tent vinyl. We have performed many tests this year for strength, abrasion

resistance, UV stability, and antimicrobial resistance and have found that the Herculite tent vinyl is vastly superior to offshore products. We are happy to provide these test results upon request.

New products this year include foldable LED bars, Resin crossback chairs, and Inflatable dome tents to name a few.

I would like to thank each customer for their continued support and wish you continued success in the future!

Sincerely,

A handwritten signature in blue ink that reads "Thomas Pollard".

Thomas Pollard

BIG OR SMALL, WE HAVE THEM ALL!

CLEARSPAN | POLE | MARQUEE | POP-UP

CLEARSPAN

The big ones! With widths as wide as 50m (164') utilizing a modular bay system, these tents can be as large as you need them to be. Regardless of the size, the interior of the tent is free of posts and obstructions, giving you a wide open space to work with. Uses of these tents are limited only by your needs and have been used for weddings, corporate events, trade show venues, storage buildings, garages, ice rinks etc.

POLE

Pole tents are a classic; synonymous with weddings. The high peaks and flowing lines add a great visual appeal and focal point to festivals and other events. Available in 30', 40', 60' widths and expandable in 20' increments, these tents can accommodate events of any size.

BIG OR SMALL, WE HAVE THEM ALL!

CLEARSPAN | POLE | MARQUEE | POP-UP

MARQUEE

Marquee tents are the most versatile tent and the backbone of any tent rental operation. Available in sizes ranging from 10' x 10' up to a 34' hex they are perfect for most events. Using gutters, they can also be joined to create a bigger space. Durable and substantial yet easy to set up quickly with a small crew you can have the party started in no time.

POP-UP

Pop-up tents are the lightest duty tents we carry. Compact when collapsed and easy to set up in minutes with a helper or by yourself in a pinch, these tents are the go-to for temporary use. The tents are available in 10'x10' and 10'x20' sizes. We also offer full colour printing for the pop-up tops and walls to bring awareness to your business, event, or brand.

CLEARSPAN TENTS (81mm Profile)

Smaller scale, big value!

These tents are the same style as our 166mm profile tents but with a lighter frame appropriate to their size. All packages include all frame and fabric pieces required for setup; anchors sold separately. A lower eave height of 2.4m allows these tents to mate well with our line of Marquee tents.

MARQUEE FRAME TENTS

Our marquee frame tents have been refined by our rental division to ensure ease of setup, ease of storage and durability that will last for many years.

Each tent comes with the following features:

- Industry exclusive quick adjust center pole.
- 16oz opaque white top that is mildew resistant.
- Custom USA made Herculite Architent vinyl.
- Storage bag for top.
- Complete frame made from anodized aluminum and electroplated steel components.
- Complete wall hanging cable system featuring aircraft grade stainless steel turnbuckles that are seize resistant.
- Convenient 3/4" plywood storage box for small parts that are stackable, have heavy duty chest handles and have tent size clearly marked. These boxes are invaluable for rental companies to keep their inventory organized.

PLYWOOD TABLES

- Our premium plywood tables are manufactured from the highest quality birch plywood specifically selected for its strength, non-warping characteristics and long term durability.
- The plywood is bonded with waterproof exterior grade glue making the tables an excellent choice for outdoor use.
- We add a high grade polyurethane coating to the top and bottom of the table to protect and enhance the appearance.
- We have extensively tested and used these tables in our rental fleet before releasing them for sale, and believe this is the best plywood folding table money can buy.

Dakota Folding Picnic Table

509-0532

Quick and easy to set up with an improved folding system. The seat and tabletop feature a faux woodgrain embossing. A pluggable centre-hole allows for the addition of an umbrella.

ZOWN PLASTIC TABLES

Introducing

ZOWN the new **zown classic** collection
CONTRACTDESIGNFACTORY

Following ten years of proven success on the international market, ZOWN has renewed its entire CLASSIC collection. The modernised range of products has been renamed the **NEW ZOWN CLASSIC COLLECTION**.

The **NEW ZOWN CLASSIC COLLECTION** features aesthetic, technical and ergonomic improvements and is manufactured in a new shark grey colour that replaces the traditional light grey shade.

All the tables are equipped with a new and very smooth locking mechanism and the foot pads are inserted into the inner perimeter of the legs. The rectangular tables in particular have better ergonomics at the head, a lengthwise and crosswise joining system and an improved load capacity.

100% PURE HDPE. NOT MIXED

QUALITY
Zown solely uses 100% pure (first generation) high-density polyethylene, which is not mixed with recycled plastic polymers..

SHARK GREY

SHARK GREY
Table top and structure shark grey colour. Back, seat and structure of the chair shark grey.

CERTIFICATIONS

Zown products comply with BIFMA standards.

INDEPENDENT CLIP

Individual polypropylene clip to hold the leg in position when folded. Solid and durable fastening device.

CONNECTORS

Longwise and widthwise table connectors.

HIGH DENSITY

High density of vaults in the lower surface of the table top. Resistant and non-warping.

ERGONOMIC

Comfortable for those seated at the end of the table.

INTEGRATED PADS

Integrated foot pads.

FOLDING CHAIRS

Aranchair

509-0351

These folding chairs feature an injected polypropylene seat and back which gently flex to provide a more ergonomic folding chair for longer events. The seat and back's mesh design allows for superior water drainage for outdoor events.

Resin/Wood Folding Chairs

Resin and wood folding chairs are popular with all kinds of events. Our resin folding chairs are crafted from the finest virgin plastic and designed to look the same as traditional wood folding chairs. Our wood folding chairs are constructed from Locust wood which makes them extremely durable. Folding is a snap and both styles will stack up to 25 high.

FOLDING CHAIRS

NOT ALL FOLDING CHAIRS ARE CREATED EQUAL!

The SES folding chair is as close to the original Samsonite as you will find. Don't be fooled by cheaper knock-offs!

Annealed steel tubing makes our chairs lighter and stronger than the competitor's.

TYRONE BANQUET CHAIR

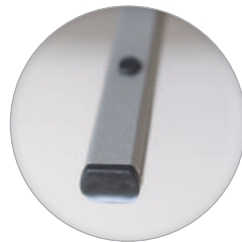

Aluminum Chairs – Durable and Light

These chairs are the workhorse of the event industry that are designed to last for generations. They are favoured by event rental companies, banquet halls, churches, and hotels. Light, durable, elegant and easy to handle.

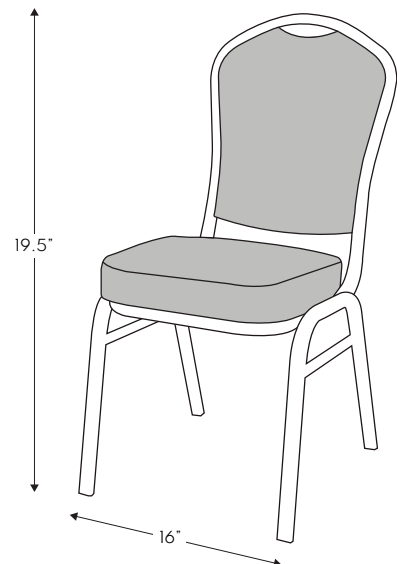

Tyrone chairs are constructed with a welded aluminum frame that is powder coated. The seat fabric is both durable and attractive and is mounted to the frame via a plywood base.

Stack of
16 chairs
height

Uses rubber feet instead of the traditional swivelling glides to protect your floor from scratches. Rubber bumpers also protect the chairs from damages when stacked.

PIPE AND DRAPE

New Supplier, Same Quality, New **LOW PRICES!**

Special Event Sales is proud to announce new low prices for pipe and drape. After years of development we have secured new suppliers for pipe and drape. The quality of the product meets or exceeds what we previously offered and due to reductions in cost we are able to pass the savings on to you! All Special Event Sales drape panels are inherently flame retardant and meet CAN/ULC-S109-3 standards.

Banjo Drape

Banjo is the industry standard. You will find this drape nearly everywhere including conventions centres, malls, community centres, schools, and anywhere else where an affordable dividing wall is required. Standard Banjo drape panels are 4' wide. One panel for every two linear feet of drape is recommended for proper fullness. Stocked in black and blue, other colours available through special order.

Velour Drape provides a lush, luxurious backdrop for your event. Commonly used for a staging backdrop.

Fixed Uprights

Fixed uprights are the quickest and most economical solution to pipe and drape. Our fixed uprights are 1.5" in diameter. Simply drop the upright on the pin and hook in your drape support.

ITEM	SKU#
3' Tall Aluminum 1.5"	540-0030
8' Tall Aluminum 1.5"	540-0020
4' Extension 1.5"	540-0040
3' Tall Aluminum 2"	540-0031
8' Tall Aluminum 2"	540-0021

Adjustable Uprights

Adjustable uprights are favoured for smaller scale setups due to their versatility. The height is easily adjustable allowing for custom heights or simply to make putting up 12' drape easier. Heights are conveniently marked by laser etching. Our adjustable uprights require a 2" pin.

LINENS

Tablecloths & Napkins

These are not the lightweight see-through linens that you will find elsewhere. They will endure all kinds of abuse and still come out of the washer looking like new. They feature 100% polyester fabric that is of a heavy weight. Edges are merrrow stitched to give a long lasting professional finish. Stain resistant fabric that launders easily. Colours remain bright and vibrant, even after 100's of washes. Readily available in black, white and ivory. Inherently flame retardant to satisfy fire code.

Storage carts available

GLASS RACK

Glass Racks

Our glass racks are built to the highest standards and will help simplify the storage and washing of your beverage glasses. They feature snap fit construction which facilitates easy construction and customization of your racks.

Stacks with most competitor's racks.

Handles on all 4 sides for easy movement.

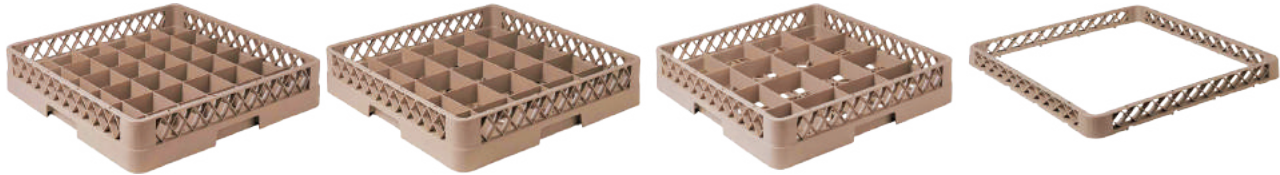

Textured surface diminishes scratches.

Snap-fit extenders will not rust or loosen like metal screws. Open profile allows air to circulate freely, resulting in faster drying.

NSF certified. Compatible with Traex racks.

See page 28 for our glass rack cart.

STEAKMATE

Steakmate Barbecue

This heavy duty barbecue has been designed by our engineering department to provide large cooking capacity, easy cleaning and long life. It features a powder coated steel frame with 2 rigid and 2 locking swivel casters. The firebox, drip trays and top shelf are constructed from stainless steel, ensuring long life and easy cleanup. Burner is made from heavy duty black pipe and will last for years. We have eliminated messy lava rock and have designed an industrial stainless steel flavourizer assembly to sit on top of the burner. No tools are required for disassembly, so cleanup is a breeze. CSA and UL approved design.

STEAKMATE GRIDDLES

36" x 20" Steakmate Griddle

530-0060

The Steakmate griddle is a powerful cooking machine that will produce pancakes as fast as you can pour the batter! We have proven the quality of this machine for many years in our rental fleet. Hundreds have been sold across Canada to other rental companies and caterers. It features a robust steel frame with 2 rigid and 2 locking swivel casters. It has a 90,000 BTU burner that is controlled by 3 valves to precisely control temperature. CSA and UL approved design.

30" x 18" Steakmate Griddle Top

530-0030

This handy griddle top is made from solid steel and will last forever! It's the perfect add-on for your Steakmate barbecue as it instantly transforms it into a griddle. Have the best of both worlds when you add this griddle top to your barbecue!

STAGE PLATFORMS

Tuffstage

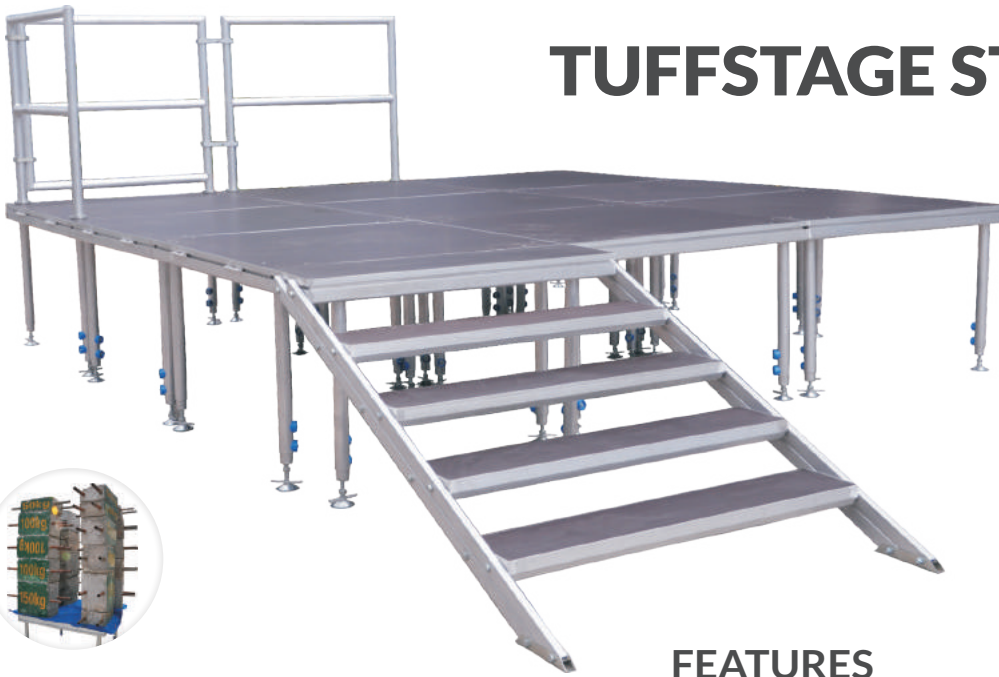

Tuffstage is a professional grade portable concert stage with all the necessary features, at a much lower price point. Tuffstage is constructed with an aluminum frame and ¾" plywood deck. The deck has a plastic non-slip laminate applied to the surface to promote safety and to improve the look. The legs feature the best foot in the industry, allowing for fine adjustment to both the height and the angle for a perfect installation. Integrated joiners ensure that the stage stays put with less parts. Compatible with steps and skirting; rails and ramps are also available to order.

Shipping Policy

To maintain the lowest possible price on our products, Special Event Sales does not include shipping charges in the price of our products. The cost of shipping is figured for each individual order and is determined by weight and destination. Shipments that do not meet weight and size requirements by ground delivery will be shipped by freight carrier. Freight service includes tailgate delivery only. You are responsible for taking the items off the trailer and into your location. You may request inside delivery and other services for an additional fee. You may use your own shipping method by supplying the information required when placing the order.

All shipments should be carefully inspected by the customer before acceptance. Immediate inspection by the delivery carrier should be requested to record any damage or shortage on the delivery.

Notification of concealed damages must be made to the delivery carrier and Special Event Sales within 7 days of delivery of merchandise.

After obtaining a clear receipt for shipment, the delivery carrier is no longer responsible for damages or shortages. Please inspect all cartons and the products within them for visible damage and count the number of pieces you received. Note any damage or discrepancies on the carrier's delivery receipt. If there is any visible damage, or if you discover any concealed damage during unpacking, do not remove the merchandise or throw away the shipping carton. If for some reason you are unable to inspect the items at the time of delivery, please sign the freight bill as "subject to inspection".

Return Policy

The customer is responsible for the accuracy of items ordered: colours, sizes, options, etc. An order confirmation is provided for approval. Excluding Special Event Sales errors, the following instructions must be followed to return and/or exchange products ordered in error.

No Product May Be Returned 30 Days After Delivery Date.

The customer is responsible for freight charges to and from our warehouse. Returned goods will not be accepted without a Return Materials Authorization (RMA) given by Special Event Sales. A 25% restocking fee applies to all returns received in re-sellable condition. No credit will be given for items damaged in transit.

Warranty

All products carry a minimum of a one year warranty unless otherwise stated. Warranty coverage is limited to defects in manufacturing and designs. Exclusions include abuse, misuse, extreme weather, and other force majeure. Products may be replaced or repaired at Special Event Sales' expense. Warranty service is FOB Edmonton/Woodstock.

Payment Options

We accept Visa, Master Card, American Express, Debit, Cheques, Bank Drafts and Direct Deposit. Credit card transactions greater than \$5000.00 will be subject to a 3% surcharge. We also accept purchase orders under certain terms. All Special Event Sales products are priced in Canadian dollars. Our systems are very secure and all customer information is kept private. We gladly accept purchase orders from Schools, Universities and Government Organizations subject to the following terms and conditions:

- Purchase orders will only be accepted for Special Event Sales accounts in writing via fax (780-437-4964), a PDF file attached to an email (sent to sales@specialeventsales.com) or mailed to:

Special Event Sales Ltd.
7063 68 Ave NW
Edmonton, Alberta
T6B 3E3

Sales Tax

Items shipped to destinations in Canada are subject to GST sales tax of 5%.

Order Confirmation

You will receive an "order confirmation" email within 24 hours of placing your order. The email confirmation will list all items in your order and serve as your invoice. If you do not receive your order confirmation after 24 hours, please send an email to sales@specialeventsales.com. Be sure to include your account email address and order number. We will send a new confirmation to you.

PRICES ARE SUBJECT TO CHANGE WITHOUT NOTICE.
