

Recipe

FRUIT OF JULY COOKIE

INGREDIENTS

- 2 Sugar Cookie Dough logs...
(we use Pillsbury, but you could also make your own dough)
- 8 ounces Cream Cheese, softened
- ½ C Powdered Sugar
- 2 Tbsp Cool Whip
- Assorted chopped fresh fruit ...

DIRECTIONS

- Line a 13x18 cookie sheet with foil with the non-stick side facing out. Spray with non-stick cooking spray.
- Press Sugar cookie dough in ½ inch thick layer in pan.
- Bake at 350 degrees until lightly golden around the edges, approximately 12-14 minutes.
- Allow cookie to cool completely.
