

Baglietti Prosecco Spumante

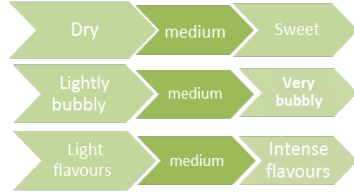

Elegant flavours of pears, citrus and almonds; a little richer than many other Prosecco, and fully-sparkling.

Food match: Enjoy as a pre-dinner or pre-going out drink.

What's special about this wine?

- You will want to re-use rather than re-cycle this bottle!

Fully-sparkling ('spumante') as opposed to 'frizzante' ie. – proper champagne muzzle & 'pop' sound!
