

## Ibero 1953

A powerful blend of Cabernet, Garnacha and Tempranillo. If you like Amarone and Ripasso wines, you will like this. Full-bodied, smooth and warm, with jammy black and red fruits, nutmeg, oak and vanilla. Long, fruit-filled finish.

**Food match:** Savour this with rich roast meats, or let it be the star, paired with some blue cheese.

### What's special about this wine?

IWC Bronze medal

### Like to know more?

- Origin: Carinena, Spain is about half-way between Rioja and Barcelona. The area enjoys sunny days (giving ripe fruit) and cool nights (maintaining its freshness).
- 90% Tempranillo, with the balance equally split between Cabernet Sauvignon and Garnacha. Aged in American oak for 6 months before release. 1953 relates to the year the winery was established.
