

Women entrepreneurship. Fairtrade bags.

ABOUT TOWNSHIP®

Township® has been supporting **women entrepreneurship** in township communities in Cape Town since 1997. Today, a growing network of four autonomous cooperatives employs around 25 women and produces a wide range of fair trade bags for the retail and MICE industry.

secures regular orders to ensure sustainable growth and development of these cooperatives. We offer branded shopping, corporate, incentive and conference bags, customized using high quality digital/screen printing or embroidery.

TOWNSHIP® OFFERING

As part of our mission statement, we work with independent women-owned cooperatives in the townships of Cape Town to produce **Proudly South African** bags according to our clients' specifications and needs. Township® engages with clients worldwide and

TOWNSHIP® ENVIRONMENTAL RESPONSIBILITY

Township® is committed to **environmental protection**. As such, we produce **eco-friendly, reusable, durable and trendy** alternatives to plastic bags. Our bags are made out of 100% natural cotton or recycled PET fabric.
