

Carpet Freshener Guide

weigh out desired amount of bi-carb
in this example we used 300g

add 1% fragrance oil
for this example we added 3g of oil
to our 300g of bicarb

mix by hand to infuse all the
sodium bicarbonate with the
fragrance oil

spoon the mix into shaker bottles

all set!

shake the mix onto carpets and
leave for a minimum of 15 minutes
before vacuuming
