

FLUIDPOWERCUBE

OLYMPIC PLATFORM

The **FluidPowerCUBE Olympic Platform** add on accessory provides an athlete with an Olympic bar height for all movement patterns.

Ideal for increasing squat depth for advanced athletes and increasing the range of motion for all ground-up movement patterns.

The **CUBE Olympic Platform** is manufactured from Marine grade plywood pressure tested to withstand the toughest of commercial environments. The cross braced construction provides a sturdy platform for all your heavy lifts.

LENGTH:	590mm [23.22"]
WIDTH:	590mm [23.22"]
HEIGHT:	150mm [5.90"]
MAX USER WEIGHT:	180kg [396.8lb]

CUBE FUNDAMENTAL EXERCISES

By adding the CUBE Olympic Platform, you will get a greater range of movement for these fundamental exercises

ABOUT FLUIDPOWERZONE MACHINES

FluidPowerZone is a range of Fluid Resistance fitness machines, designed for training in any Zone - Cardio, Power, Strength or Speed. **FluidPowerZone** machines can be used individually, or by combining multiple machines to make up a fitness circuit. The patented Twin Tank technology delivers 10 different levels of Adjustable Fluid Resistance for concentric only movements that will accommodate all levels and abilities, from general fitness enthusiasts to elite athletes and provides a perfect for rehabilitation/medical applications.

ABOUT FDF LIMITED

FDf Limited is the leader in designing and manufacturing a range of adjustable Fluid Resistance fitness machines for commercial and residential applications. At the heart of the fitness range is the unique and patented Twin Tank Fluid Resistance system. The adjustable Fluid Resistance system challenged conventional thinking of how water could work to provide adjustable resistance rather than just a liquid mass flywheel. The patented Twin Tank system provides silky smooth resistance at any speed and is perfect for cardio training, warm-ups, cool downs, intense HIIT workouts or rehabilitation programs. **FDf Limited** categorizes the range of adjustable Fluid Resistance machines under the banners, **FluidRower**, **FluidExercise** and **FluidPowerZone**, see the adjacent web links. **FDf Limited** products are distributed throughout the globe and are popular in Fitness Centers, Hotels and Apartments, Sporting Clubs, Universities, First Responders, Defence Force Training Facilities and Physical Rehabilitation Clinics.
