VIDO

/vee-do/

Noun

Derived from the French term videau which references our iconic crystal doubling cube, to double both the stakes and the fun of the backgammon game.

Designed by nomadic French travellers, our luxury board games are exclusively made from high quality, ethically sourced materials for the best playing experience.

Our collection offers a wide choice of modern colours and textures, to add style to timeless board game classics.

Our Backgammon Collection.

Backgammon Meets Style

A large choice of colourful and contemporary designs for a chic, reinvented take on backgammon that is a hallmark of the VIDO brand.

Vegan leather, embossed with animal skin patterns

Each VIDO backgammon set is carefully crafted using selected premium vegan leather.

High quality durable materials

Premium metal, fine velvet, beautiful backgammon pieces with a mother-of-pearl finish, and our signature doubling cube made of genuine crystal.
