

Wood Fabricator/Craftsperson

Are you someone that is driven by a fast-paced environment? Do you thrive in a constantly evolving company and position? Do you want to work for an energetic and rapidly growing company that cares about the success of their employees? If your answer is “Yes!” please continue reading.

Windfall Lumber manufactures architectural wood products made from reclaimed and FSC wood. Our products are installed in restaurants, corporate offices, hotels, and universities across the United States and Canada. Our culture supports mutual respect among all employees, and we expect everyone to contribute to a continually improving company.

Windfall Lumber is seeking experienced woodworkers and craftsman to join our team in Tumwater WA.

ESSENTIAL FUNCTIONS

- Fabricate custom architectural features that include tables, counter tops, paneling and solid surfaces
- Set up, operate, and maintain all manner of woodworking equipment, such as table saws, band saws, planers, jointers, wide-belt sanders, hand tools both powered and manual, etc.
- Accurately and efficiently cut, shape, join and sand solid and engineered wood parts
- Use glues, joinery techniques, and fasteners of various types depending on what the project requires to create strong, tight-fitting joints and/or seams in wood
- Use various sanding equipment and handwork to create very smooth surfaces as required by the project standard and following finishing processes
- Meet with Department Lead daily to review, and prioritize schedule and daily tasks/assignments
Responsible for the inspection of finished products to verify conformance to quality standards
- Maintain a clean and safe work environment
- Observe all safety procedures, reports potentially unsafe condition and uses and maintains equipment and materials properly
- Other duties, responsibilities, and activities as assigned

KEY SKILLS REQUIRED:

- Solid understanding of wood building fundamentals
- Prior experience in woodworking
- Detail oriented, positive, solid, mature and reliable and be able to work well under pressure and strict deadlines
- Team player with a good attitude about work
- Excellent attendance
- Must be able to stand for long periods of time; ability to lift up to 50 lbs
- Must be able to work in a production environment, subject to temperature variations, high noise level and dust
