

TEXTILE EASTERN MAPLE FLOORING

FRME-TXT

FRMES

Windfall Galley

TECHNICAL INFORMATION

MATERIAL

- Our reclaimed textile eastern maple comes from textile mills in the southeast United States that are no longer in operation because they could no longer compete with overseas clothing manufacturers.
- Much of the wood is straight grained but can produce some highly figure that includes wavy, quilted, fiddle-back or birds-eye grain patterns.
- Janka hardness scale 1450

SURFACE

- FRME-TXT surface has original patina with reclaimed marks.
- FRMES is resurfaced by sanding off the layer of original patina.

RECLAIMED MARKS

- Include scratches, color discolorations, and nail holes from the original application.
