METAL EDGEBOARDING FOR PLANK TABLETOPS

Edgebanding – Raw Mill Steel

Edgebanding – Anthracite Gray

Edgebanding – Black

TECHNICAL INFORMATION

METAL EDGEBOARDING

DESCRIPTION

- Metal edgebanding gives our eastern maple gym floor and textile mill plank style tabletops a clean look
- Comes with recessed matching fasteners. No assembly required.
- Butted joints at corners.

DIMENSIONS

- 3/16" x 1-1/2" x L"

FINISHES

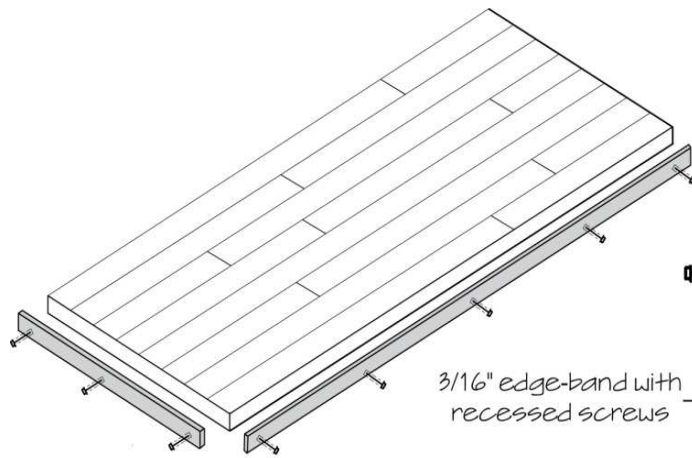

We offer three finishes to match our metal table bases.

- 20 - Raw Mill Steel
Raw mill steel left unfinished and top coated with a protective semi-gloss finish.
- 21 - Anthracite Gray Powder Coat
A dark steel gray color with a protective semi-gloss sheen.
- 22 - Black Powder Coat
A true black color with a protective semi-gloss sheen.
