

Important Notes

Please read this booklet carefully as it contains important information regarding the proper use and setup of this chair.

- **Setup & Pack Down** – This chair employs a quad-fold design for convenient transportation and a compact pack size, failure to follow these instructions may lead to irreparable damage to the chair.
- **Weight Rating** – Do not exceed this chair’s weight rating of 200kg. Failure to comply with the specified load capacity may lead to product failure, potentially leading to accidents or injury.
- **Warning** – Do not set up or pack up with one hand on the front and one on the back corner of the frame as this can cause excessive stress on major parts. Do not use chair unless arms are locked in place. Please see the illustration on the right on how to unfold the chair:
