

RV-3 Lite Complete Modular Panel System

Key Features:

- 3 separate panels
- Easily attaches with zips
- Add any configuration you'd like
- CPAI-84 fire rating and UPF50+ material
- Includes all poles needed to peak awning

Description:

The RV-3 Lite Complete Modular Panel System is all you need to enclose the awning of your Oztent RV-3 Lite. It comes as three (3) separate panels and all the poles you need to peak your awning. As each panel is separate, you can decide what configuration you'd like to setup. Add one wall as a windbreak or add all 3 walls for full privacy and protection. Installation is easy, just insert the poles and zip on each desired panel.

RV-3 Lite Complete Modular Panel System
