

**educational
resources**
for early years,
primary & special needs

We've packed it full of easy to use, curriculum specific teaching and learning resources with many NEW products for this year, plus your everyday essentials.

As designers, developers and manufacturers, we pay special attention to our customers ever changing educational needs. Therefore, the products we produce are only available through ourselves and partner suppliers. All products are made to the highest standards for durability and comply with all safety standards.

Eduk8 Worldwide has been a major supplier to the UK and International educational and toy sectors since 2002. The educational and play needs of children are researched continuously to enable the development of great, 'hands on' products. Attention to detail and quality at an affordable price is always our focus. We are dedicated to creating products which will enhance and stimulate mental and creative growth, whatever a child's ability level.

Eduk8 is firmly committed to reducing their carbon footprint with the use of recyclable and sustainable materials for product manufacturing and packaging.

Age: 3+
Size: 114 x 14cm

The Mark Makers™ early writing programme has been created to enable children as young as 5 months to begin developing their basic writing skills, allowing an easier transition into more advanced school taught writing.

Four simple marks make up different numbers, shapes and a variety of letters within the alphabet.

Four characters proudly display each specific mark through their design, shape and colour.

Lionel, a bright red soldier mark.

Archie, a multi coloured curved rainbow mark.

Swirly a purple magic mark who loves circles

Ziggy, a green monster made of zig-zags

"Our testers found the books colourful and eye-catching and easy to come back to again and again. The children enjoyed following the shapes of the different characters with their fingers and interacting with the story by finding the different shapes.

This is great for developing their dexterity and hand-eye coordination, needed for holding a pencil and building their early writing skills."

Activity Book

A colourful Activity book allows the child to transform their mark into letters from the Alphabet, as well as marking the shape of each character in the range.
MMACTY/1

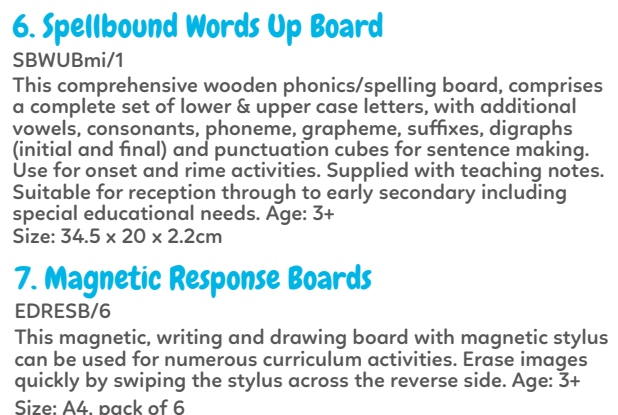

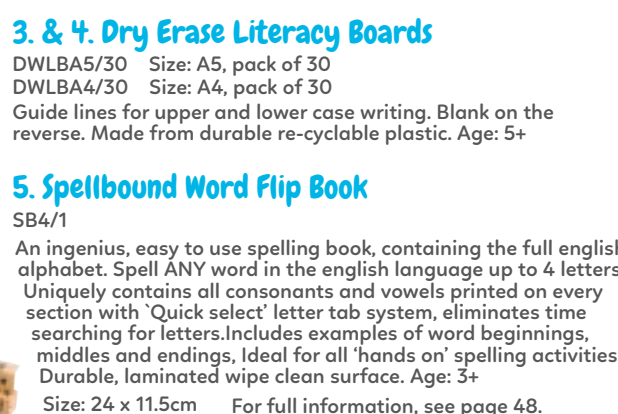

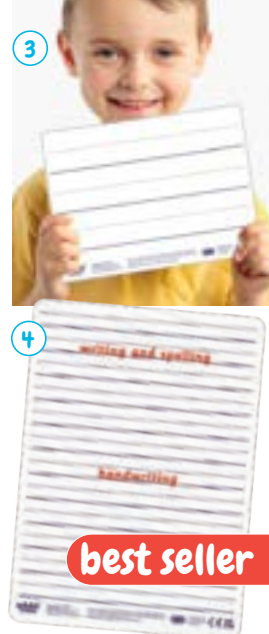

Story Books

Within this fabulous range are four story books that follow the journey of Lionel, Swirly, Ziggy and Archie through worlds such as Letter Land and Shape City.

Lionel Story Book - MMLI/BK
Archie Story Book - MMAR/BK
Swirly Story Book - MMSW/BK
Ziggy Story Book - MMZI/BK

5 months plus

EDEYLIT/15

Talking, singing, playing sound and word games, reading, writing and drawing with a child are great ways to lay a good literacy foundation and the EY Literacy Progress kit aids the development of all these skills and more.

Kit includes: 1 x Rolling tales game, 1 x Shape your story game, 6 x A5 lined literacy boards, 1 x Ask a question dice pair, 1 x Casey Caterpillar, 1 x Sound and letter game, 1 x Cargo ship, 1 x Position, size, and direction game, 1 x Wooden alphabet tray, 1 x Lionel the Soldier, the Mark Makers® story book, 1 x Archie the Rainbow, the Mark Makers® story book, 1 x Swirl the Magic Pot, the Mark Makers® story book, 1 x Ziaqa the Monster, the Mark Makers® story book, 1 x Spellbound 4-pad flip book, 1 x Spellbound Wordsup board. Age: 3+

EDPWP/1

A fun, versatile and active resource to help children learn phonics. Great for indoor or outdoor use. Made from durable water resistant vinyl. Age: 3+

Size: 210cm x 135cm

'Quieter classrooms' with

alertz® The new approach to dealing with, noisy classroom behaviour.

Manage unwanted and unsettling noise in the classroom and other noise sensitive settings with EDUK8's NEW electronic noise management system.

Reduces the need for teachers verbal interventions by independently responding to those responsible for unnecessary noise.

Alertz® can be set to respond to low level noises, eg. whispers, up to the noise level equivalent of a rock concert to activate.

Continuous noise, 15dB (decibels) above any acceptable set level, will extinguish the green light, followed by 1, 2 or 3 ascending amber warning lights and ultimately the flashing red light.

Highly visible with 180+ degree wraparound LED, red, amber and green lights, Alertz® reacts to unacceptable noise with any one of the following outputs:

- 1 Lights only (no sound),
- 2 Lights with 'wow' 'wow' siren or,
- 3 Lights with up to 4 personalised pre-recorded verbal messages or sound outputs.
- All 'Red light' activations are registered on the re-settable digital LED counter.
- A 2-3 second activation delay permits the teacher to issue short instructions such as 'quiet please', or rapid clapping of hands, without activating Alertz®.
- Deliberate attempts to activate Alertz® can be cut short by selecting level No.7 (110dB decibels) on the remote control.

- The infra-red remote control, enables selection of 7 noise levels (decibels dB)
- and 4 speaker level settings, mute and on/off from up to 20 metres. Increase/decrease levels during activation.

Let Alertz® help create a calm environment!

Noisy classroom behaviour can have a detrimental effect on both teachers and pupils not only in terms of concentration and listening, but also with general health.

With the assistance of Alertz®, teachers can set guidelines, rules and parameters to assist with noise reduction/prevention thus improving the overall ambience and comfort in the classroom.

Alertz® can also be used pro-actively to encourage voice elevation. eg. Drama, reading or singing to an audience. In this instance the goal would be to activate the red light.

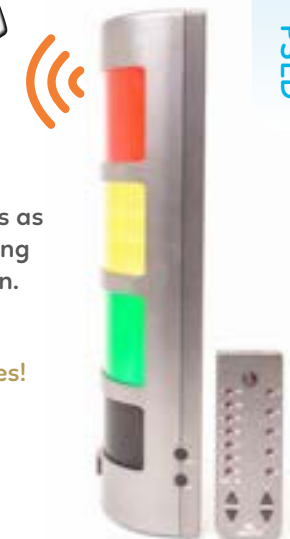

Achievements could be accompanied with a recorded "Well Done" message, or other sounds as appropriate, using the four, 5-6 second recording slots, which are over-recordable time and again.

Non or reduced 'red' light activations could be used as rewards or incentives!

Ideal also for halls, corridors, dining halls, libraries and any other areas requiring noise management.

Lights can be set to remain on static,

Green, Amber or Red

for a variety of activities, signals or needs.

Alertz® has great presence whether table, shelf or wall mounted and will prove to be an invaluable classroom and settings resource.

Mains or battery operation
Indoor use only

Size: H.39cm x W.13cm x D.8cm

①

1. Dry Erase Thought Clouds

DWTC/6 Size: A4 (approx.) pack of 6

Thought Clouds can be used in a range of activities to support the idea of not saying everything that is thought, and to help individuals learn about thoughts, and to write down their thoughts. The thoughts we have about ourselves and the thoughts we may have based on what we think about others. The Clouds can therefore build more self-awareness into the cognitive process and will be useful to speech and language therapists, teachers and parents, but also has many other endless uses! Made from durable re-cyclable plastic. Age: 4+

3. A Day in the Jungle

CCDIJ/1

A social, emotional, bingo game. See how the animals share and jump in to help each other. Builds relational skills, visual observation and thinking skills. Age: 5+

Contains: 4 Jungle boards, 100 Jungle Chips, Caller Sheet, 2 dice, Booklet

②

2. Seek Four

CCSF/1

A great game for verbal and non-verbal expression of emotions. Act, draw or tell stories to express feelings. Contains: 32 Emotion cards, 4 Coloured scarves, 1 Wooden die, 4 Reference cards, 1 Mirror, 1 Pad, 1 Pencil, Instructions. For 2 to 4 players. Age: 3+

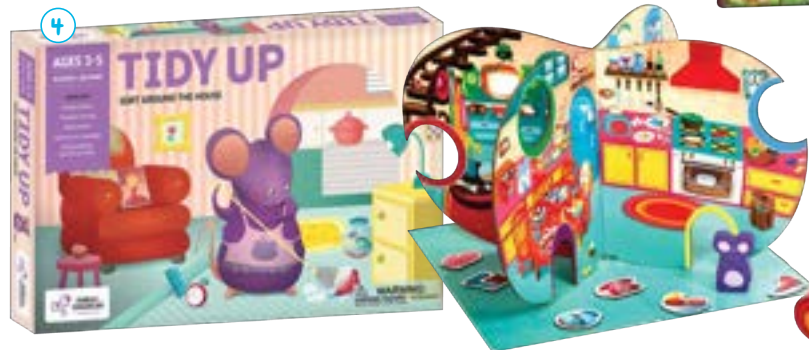

③

4. Tidy Up

CCTU/1

A great game for encouraging children to be tidy, thoughtful and considerate. Contains: 2 walls, 24 tokens, 1 base, 1 dice, 2 mice, instructions. For 1-2 players. Age: 3+

⑤

5. Claim and Save

CCCS/1

Learn about endangered species, and how to save them, as you play the game, by claiming squares with grass hedges, to create reserves for these endangered animals. The game is brought to life through 30 beloved wild creatures from around the world. Age: 6+

For 2-4 players. Contains: 6 character/objects Dice, 3 Feelings Dice, A4-Pocket Writing Process Folder, 1 Cloth bag.

Tangles provide tactile and visual sensory stimulation and ideal for therapeutic stress relief. Use for improving fine motor skills and hand & wrist therapy. They can also calm anxiety & relax the mind. Perfect fidget resources!

①

1. Tangle® Junior

EDTANJR/1

With smooth brightly coloured sections, this tangle is perfect for small hands. Age: 3+
Size: 18 x 4 x 1.5cm

best seller

②

2. Textured Tangle® Jr

EDTEXS/1

With colourful textured sections, this Tangle® offers plenty of tactile stimulation making it perfect to touch and explore with small hands. Age: 3+
Size: 18 x 4 x 1.5cm

best seller

③

3. Tangle® Fuzzy

EDTANF/1

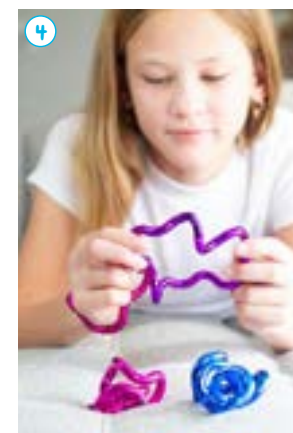

Tangle® Jr fuzzy is covered in soft fuzzy coating giving it a great sensory feel. Great for the improvement of hand motor skills. Age: 3+
Size: 18 x 4 x 1.5cm

4. Tangle® Sparkly Metallic

EDTANSM/1

This Tangle® Junior metallic is shiny and brightly eye-catching for both children and adults. Age: 3+
Size: 18 x 4 x 1.5cm

⑤

best seller

5. Tangle® Hairy

EDTANH/1

Twists and turns just like the regular Tangles, but covered in stretchy rubber spines for a great tactile experience. Age: 3+
Size: 18 x 6 x 3cm

⑥

6. Fuzzee™ Ball

EDOB/1

These balls are soft enough to use indoors and adapt to use with a variety of sports or can be used on their own with unlimited play possibilities. Develops children's competence and confidence to coordinate moving objects. Age: 3+
Size: 7.5cm dia.

7. Grouping Senses Flip Book

SEN/1

The five senses are what we use every day to get to know the world around us, understand what's happening and what is in our environment. Identify and classify a variety of objects by selecting either a sight, hearing, taste, smell, or touch card. Words can be written in the blank spaces provided on each card. Use dry erase markers. Age: 3+

Size: 28.5 x 11 x 1 cm

⑦

1. Large Bug Aquatic Container

EDLBAQ/1

The sturdy see through container with ventilated lid, can be filled with water and used to study plants, aquatic insects, tadpoles etc, or fill with soil to study bugs and plants. Age: 3+

Includes: 2 x handheld (3 x) magnifiers, 2 x tongs, 2 x bug collectors, and 1 x (3x) magnifying jar.

Size: 28 x 17 x 5.6cm

2. Claim and Save

CCCS/1

Learn about endangered species, and how to save them, as you play the game, by claiming squares with grass hedges, to create reserves for these endangered animals. The game is brought to life through 30 beloved wild creatures from around the world. For 2-4 players.

Contains: 6 character/objects Dice, 3 Feelings Dice, A 4-Pocket Writing Process Folder, 1 Cloth bag. Age: 6+

Size: 28 x 28 x 5cm

3. Season Wise

CCSW/1

Learn about the different seasons and the various changes in weather that each season brings.

A fun game containing 43 picture cards, 4 season boards, 4 felt season ornaments and ideas booklet. For 2 to 4 players. Age: 3+

Size: 27 x 21.5 x 4.5cm

4. Wooden Jigsaw Puzzle Map Of France

FOXFR/1

This quality wooden puzzle map shows the 13 regions of France. Guess the area of the shape with the provincial capital engraved on the top as a clue. The name of the region is engraved on the base under the shape.

The interactive nature of the jigsaw puzzle makes it easier to memorise each region, compared with looking at a map. Age: 3+

Size: 36 x 36 x 1cm

1. Early Years Maths Kit

EDEYMAT/16

This comprehensive kit contains resources which help develop early maths skills such as counting, understanding and using numbers, simple addition and subtraction calculations and shapes, spaces, and measure.

Ideal for supporting the development of mathematical ability in a EYFS setting or reception maths lessons. Age: 5-7

Kit Includes: 1 x Pyjama Party Game, 1 x Comparative Size Game, 1 x Wooden Lacing Number Cheese, 1 x Magnetic Numbers and Symbols, 1 x Numeracy Game, 1 x Number Ladybird Game, 36 x Pupils Number Street, 1 x Wooden Cargo Ship, 1 x Shape Flip Book, 1 x Wiggly Worm, 6 x Numbers up flip books

2. Grouping Shapes Flip Book

EDSHAP/1

This easy to use flip book with quick select tabs is designed to help children to identify shapes in objects. Use for developing discrimination, identification, and logic skills. Suitable for 3 years and upwards including special needs. Use dry erase markers (not provided). Age: 3+

Size: 28.5 x 11 x 1cm

3. Magnetic Irregular Shapes

EDMAGSH/1

Contains 104 magnetic irregular and regular shape pieces in vibrant colours. Children can explore irregular shapes and how they fit together to create patterns and images. Perfect for 2D play on magnetic boards and other metal surfaces. Includes see through box with lid. Age: 3+

Size: 17 x 16 x 8.5cm

4. Threading Shapes

EDTS/1

Perfect for colour and shape recognition, matching, motor and hand to eye coordination skills. Comprising 8 geometric wooden coloured shapes with coloured laces. Supplied in handy wooden storage box with a lid. Age: 3+

Size: 21 x 17 x 5cm

5. Wiggly Worm

EDWW/1

Children love to play with this endearing wooden, Wiggly Worm. Contains 4 removable shape rods and 12 shape pieces for stacking, counting and shape recognition. Age: 3+

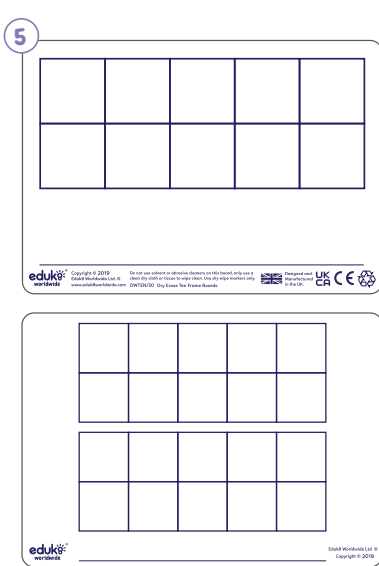

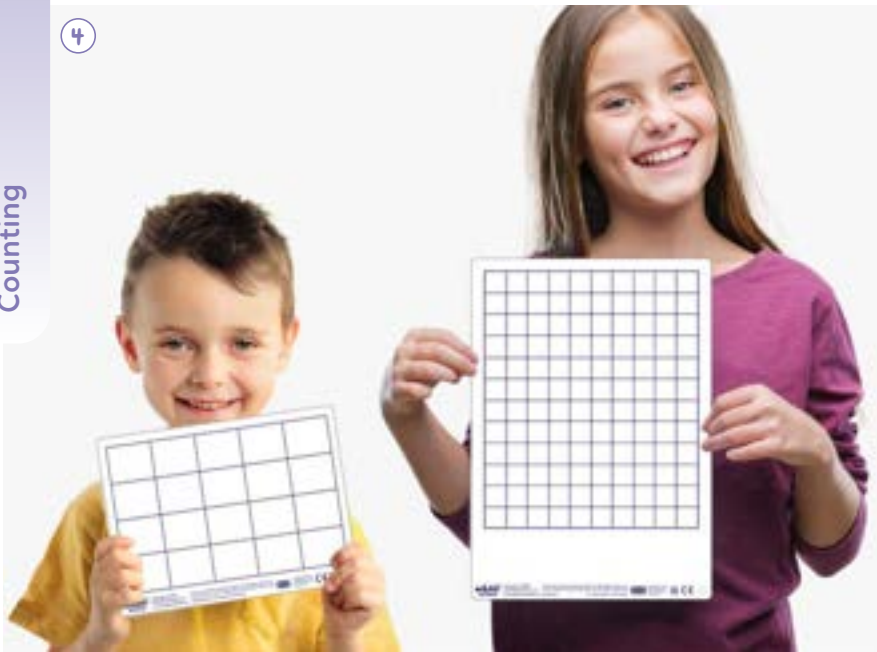

Size: 31 x 15 x 4.5cm

6. Pattern Matching Shapes

EDPMS/1

5x wooden pattern boards printed both sides with 10 images for shape & colour recognition. Supplied with 120 wooden shapes in a sturdy wooden storage box with lid. Age: 3+

Size: 33 x 22 x 4.5cm

1. Wooden Lacing Number Cheese

EDLC/1
Have fun using the threaded mouse to sequentially pass through the numbered holes whilst learning how to count to 10. Aids hand to eye coordination skills, number recognition, sequencing, identifying odd/even numbers, counting on/back, addition, subtraction etc. Age: 3+
Size: 14 x 8 x 4.2cm

2. Numbers Up I Flip Book

NUP1/1
Easy to use bound digit flip books. Unique quick select tab system. Durable and laminated. Perfect for early number recognition Age: 4+
Size: 10 x 5.5cm

3. Wooden Cargo Ship

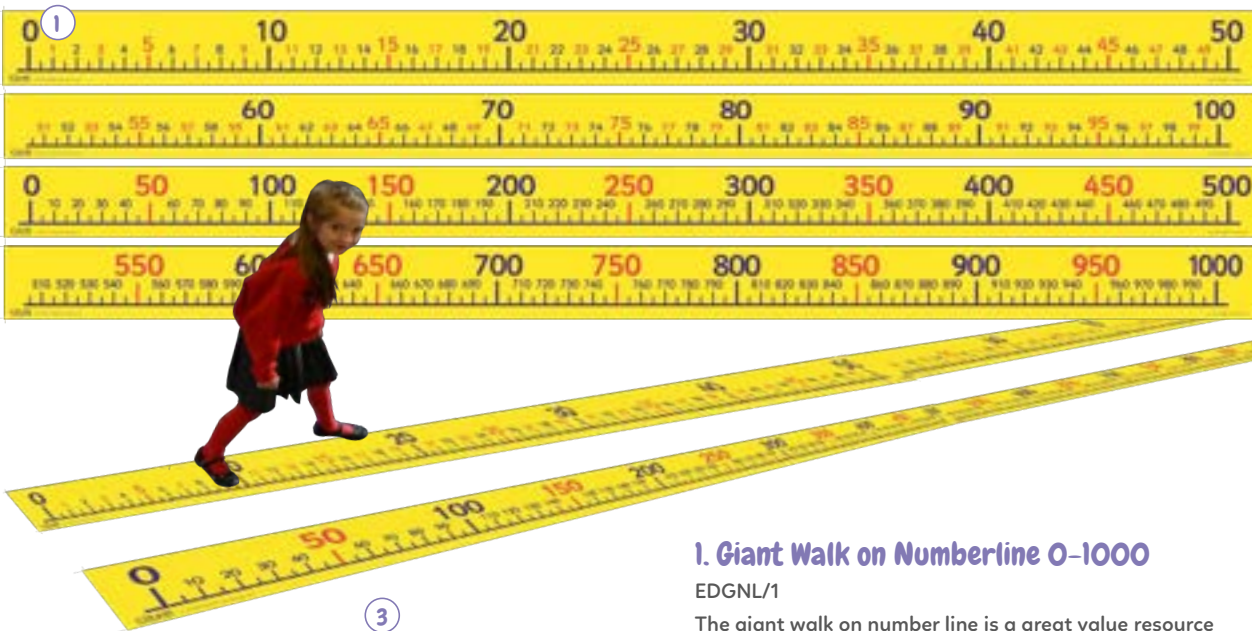

EDOL/1
This sturdy wooden cargo ship contains 26 magnetic blocks, printed on 4 sides, with the alphabet in upper and lower case, numbers and shapes. Operate the crane to load and unload cargo using the magnetic 'hook'. A quality resource for literacy and numeracy. Age: 3+
Size: 35 x 14 x 8cm

4. Dry Erase Grid Boards

DWA5A/30 Size: A5, pack of 30
20 square grid printed on one side, blank on reverse.
DWA4A/30 Size: A4, pack of 30
120 square grid printed on one side, blank on reverse.
DWA2A/1 Size: A2+ (77.5 x 52cm), each
120 square grid printed on one side, 20 on the reverse.
Made from durable re-cyclable plastic. Age: 3+

5. Dry Erase Ten Frame Boards

DWTEN/6 Size: A5, pack of 6
DWTEN/30 Size: A5, pack of 30
Use to explore numbers and Number Bonds to 10 on one side and numbers to 20 on the reverse side. Can be used with either a dry erase marker pen (not supplied) or counters. Made from durable re-cyclable plastic. Age: 3+

1. Giant Walk on Numberline 0-1000

EDGNL/1
The giant walk on number line is a great value resource with numbers from 0-1000. Comprising 4x 2.4metre sections (total overall length 9.6 metres). Children can count on and count back with this unique large scale floor resource, which can also be attached to a wall. Made from durable 350 micron vinyl and suitable for indoor and outdoor use. Rolls away for compact storage. Age: 5+
Size: 960 x 16cm

2. & 3. Dice Domes

EDMDD/6 - Mini Dice Domes pack of 6
EDLDD/6 - Large Dice Domes pack of 6
Push the plunger on the top (large) or side (mini) of the domes to make the dice tumble. Two valuable resources to prevent lost dice! Age: 3+
Size: 11.5 x 6cm each - Mini
Size: 16.5 x 6cm each - Large

4. Dice Games

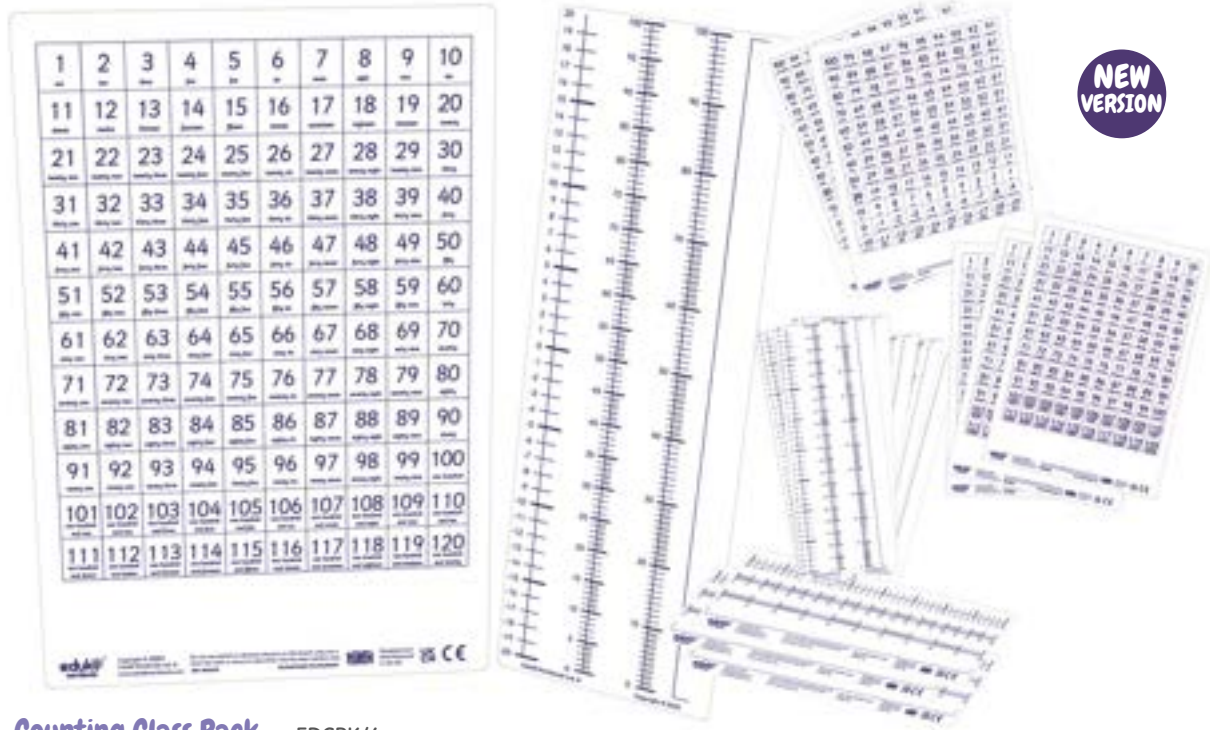

EDSLmi/1 - Snakes & Ladders
EDLUmi/1 - Ludo
EDSLLUm/2 - Twin Pack (includes x1 Snakes & x1 Ludo)
These traditional fun table top games are a great way for young players to learn number and counting skills. Supplied with dice domes. Suitable for 2 to 4 players. Age: 3+

Mat Size: 33 x 27cm

5. Pupils Number Street

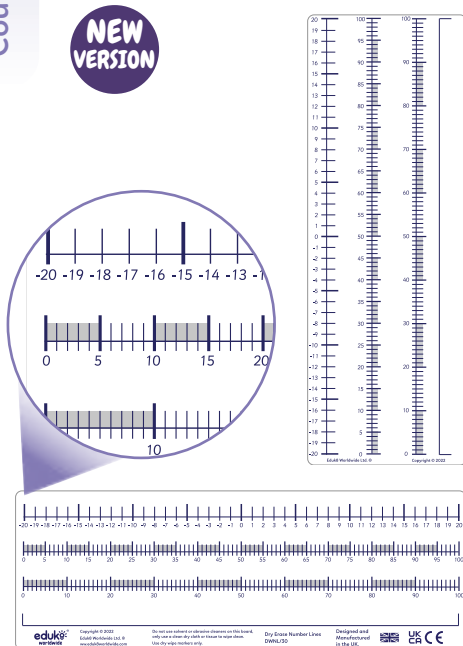

EDNS/36
Pupils' number street is a place where numbers live, work and play. Even numbers are red and odd numbers are black. Every 5th house is red and every 10th house has a red chimney. Ideal for number sequence, addition, subtraction, place value, odd/even numbers, counting back, multiplication, division and much more. Use with dry erase markers for added activities. Contains 36 laminated sheets. Age: 3+
Size: 36 x 13cm

Counting Class Pack EDCPK/4

A comprehensive class pack for learning to count from -20 through to 120 in a variety of formats. Age: 5+
Pack contains: 30 x A4 Pupil Counting boards, 1 x A2 Teachers demonstration board, 30 x 1/2 A4 Pupil Number Line boards, 1 x 1/2 A2 Teachers Number Line demonstration board.

Dry Erase Number Lines

DWNL/30 Size: 1/2 A4, pack of 30

DWNL/1 Size: 1/2 A2+ (77.5 x 25cm), each

Comprising horizontal and vertical number lines, blank lines, lines with 100 divisions, and printed -20 to +20. Made from durable re-cyclable plastic. Age: 3+

Dry Erase Counting 1-120 Boards

DW1-120A4/30 Size: A4, pack of 30

DW1-120A2/1 Size: A2+ (77.5 x 52cm), each

Read numbers in words and count on to 120 plus count back into negative numbers addition, subtraction, number patterns, missing numbers, number sequences. Age: 3+

Numbers Up Teachers Question and Answer Flipbook

NUPTQAY/1

Ideal for mental agility and suitable for all ability levels. The printed 'quick select' tab system enables easy selection of every card. A unique and extremely comprehensive and versatile, teacher demonstration resource.

Each section of cards contains:
Digits 0 -9 plus symbols for Addition, Subtraction, Multiplication, Division, More than, Less than, Not equal to, Percentages, Decimals.

Use for:
Place Value, Sequencing, Missing Numbers, Number Bonds, Negative Numbers, Digital Time, Money and much more!
Ideal for individual, group or front of class use.

Durable, wipe clean laminated finish.

Age: 4+

Size: 56 x 14cm

Number Tower

EDNT/1

The Wooden Number Tower is a fun and interesting way to learn about numbers and counting. Children can practice number recognition, counting, addition, subtraction or multiplication. Containing 10 sections, count from 1 - 100 in 10's, horizontally and vertically. Odd numbers are coloured in red and even numbers are in purple, for easy identification. Rotate tiers to count in less or more than 10's. Collapses flat for easy storage. Age 4+

Size: 51 x 16 x 16cm

Playing with Maths Mat

EDPWM/1

Explore shapes, numbers, counting, addition, subtraction, multiplication, division and much more, with this versatile mat. Suitable for indoor or outdoor use. Made from durable water resistant vinyl. Age: 3+

Size: 210 x 135cm

1. Place Value Class Pack

EDVPK/8
Place Value Class pack is a comprehensive resource for teaching and learning place value. Age: 7+
Pack contains:
6 x numbers up place value flip books,
30 x pupils A4 place value boards,
1 x A2+ (72.5 x 520cm) Teachers Place Value demonstration board.

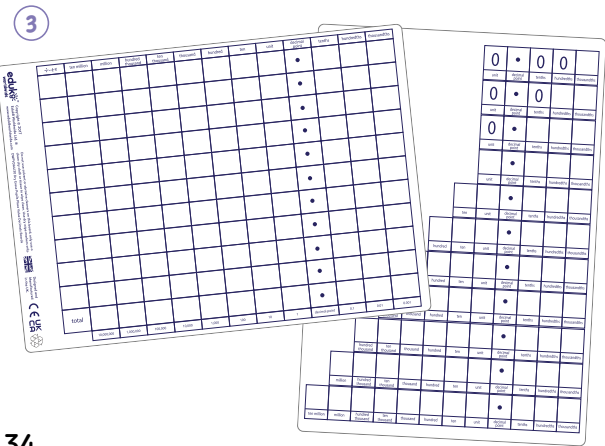

2. NUP Place Value Flip Book

NUP/PV1
An easy to visualize pupil resource, which will develop a secure understanding of place value. Numbers can be selected easily using the tab system and overlapping pages, for partitioning, addition or subtraction in hundreds, tens and units in sequence from 1-999 or 999-1. Numbers will always be in correct placement. Durable laminated finish. Age: 5+
Size: 22 x 13cm

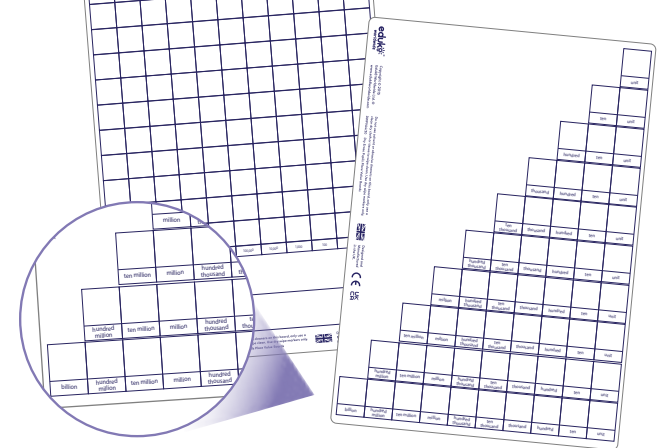

3. Dry Erase Place Value Decimal Boards

Learn and understand place value of decimals and use the columns for adding and subtracting larger numbers. Count decimals from tens of millions down to 3 decimal places. Made from durable re-cyclable plastic. Age: 7+
DWPVDA4/30 Size: A4, pack of 30
DWPVDA2/1 Size: A2+ (77.5 x 52cm), each

4. Dry Erase Place Value Billions Boards

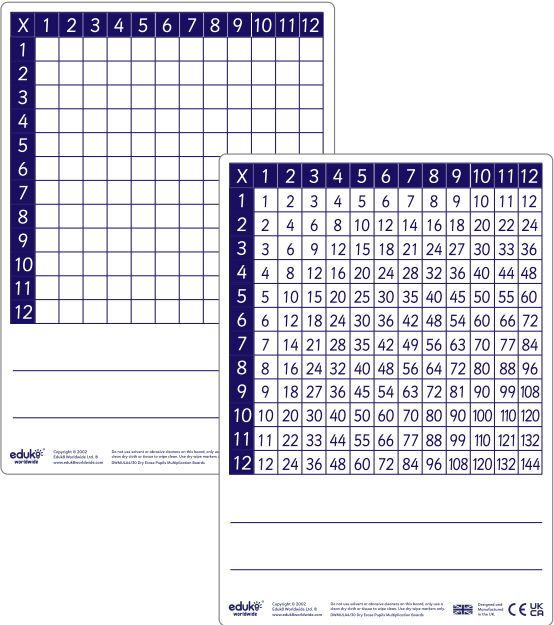

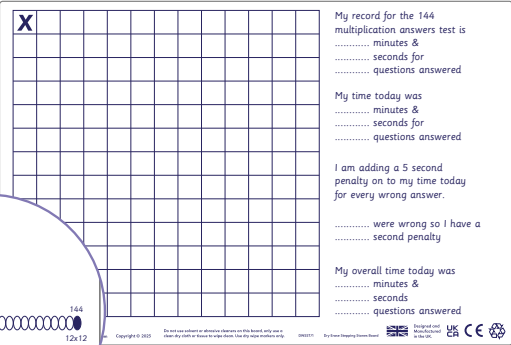

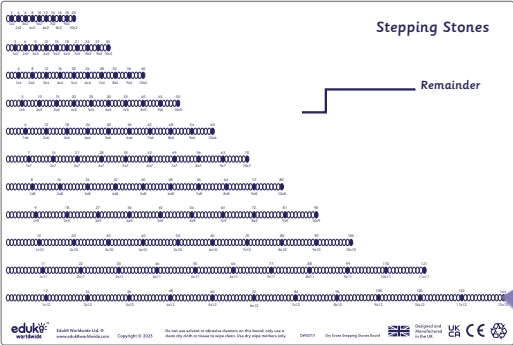

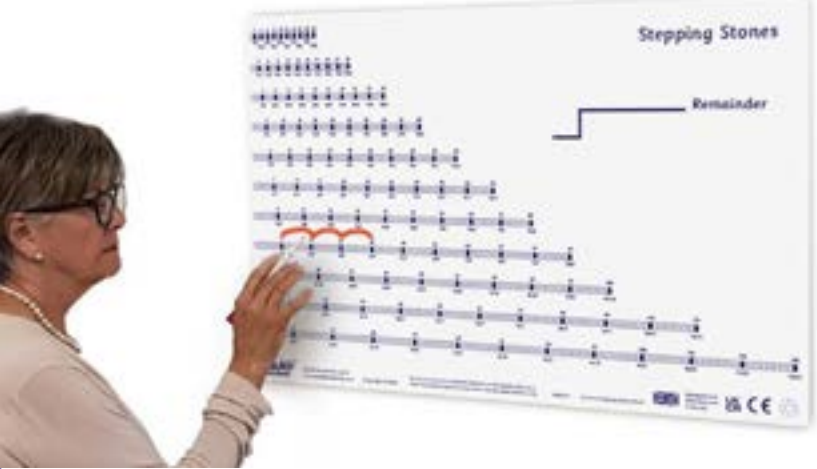

4. Dry Erase Place Value Billions Boards

Count to billions, millions, hundreds of thousands, tens of thousands, thousands, hundreds, tens and units. Illustrates whole numbers to billions in their correct place. Each column has an answer box at the bottom for total values. Made from durable re-cyclable plastic. Age 5+
DWPVA4/30 Size: A4, pack of 30
DWPVA2/1 Size: A2+ (77.5 x 52cm), each

Dry Erase Stepping Stones

An easy way for visual learners to learn multiplication, number patterns, symmetry, square numbers, prime numbers, multiples. Use the timed activity on the reverse for practising multiplication tables. Supplied with teaching notes. Age: 6+
DWSSA4/30 Size: A4, pack of 30
DWSST/1 Size: A2+ (77.5 x 52cm), each

Includes FREE Teacher notes

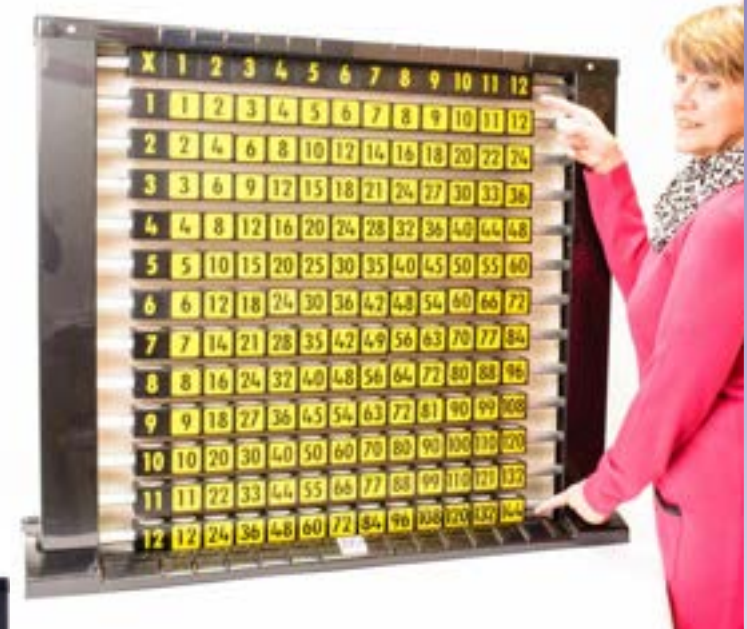

Dry Erase Multiplication Boards

Use for number patterns, symmetry, square numbers, prime numbers, multiples. Blank Grid on reverse for practising multiplication tables. Age: 7+
DWMULA4/30 Size: A4, pack of 30
DWMULA2/1 Size: A2+ (77.5 x 52cm), each

'The ultimate 10 in 1 Maths Resource'
No other Numeracy Resource compares!

100plus Multi Centre 12x Board: The one maths resource that does it all

100/MC12X

This invaluable and ingenious, multi purpose 'Hands On' resource, has for many years proved itself in the classroom and continues to be popular with teachers and children. 100plus is ideal for many maths activities which allow children to investigate, whilst improving mental maths agility. Combining 9 different 'square' configurations and Abacus/blank into one piece of large mathematical equipment, 100plus eliminates the need for numerous resources.

100plus contains colour coded printed blocks which rotate and slide individually for greater flexibility. Conceal, reveal, split or group numbers instantly. Each block slots in at 90 degree increments to a full 360 degrees and each of the rows rotate individually at 90 degree increments to 360 degrees. Age: 3+

Size: 97 x 81 x 24cm

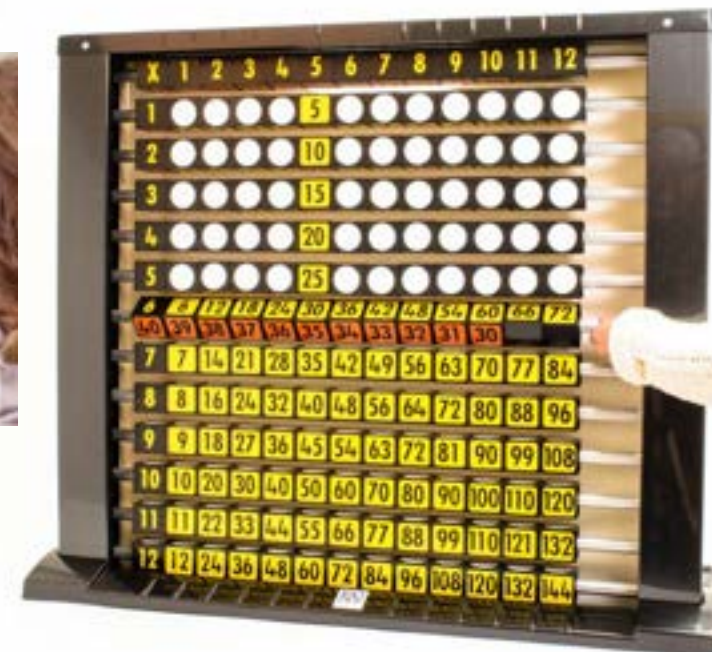

Visit www.mathsontrack.com and see Tom Renwick, the leading expert demonstrating the versatility and usages of 100plus.

Tom says '100plus is perhaps the best single resource I've ever come across for helping children get better at numeracy'.

- Counting on 0 to 130
- Counting Back 100 to minus 30
- Number Prediction
- Proportions
- Less than
- More than
- Multiples
- Multiplication
- Division
- Addition
- Subtraction
- Number Bonds
- Grouping
- Patterns
- Equivalent Fractions
- Percentages, and many more activities.
- Made from durable plastic and aluminium rods

Supplied with FREE Teachers notes.

Multiplication & Division Class Pack

EDMD/6

Teach multiplication and division with confidence using this comprehensive class pack, containing all the materials necessary to provide an engaging and effective maths lesson.

Includes: 1 x Teacher Multiplication A2+ (72 x52cm) Demonstration board, 30 x Pupils A4 Multiplication boards, 1 x Teacher Stepping Stones A2+ Demonstration board, 30 x Pupils A4 Stepping Stones boards, 6 x Pupils multiple ks1 rotating lines, 6 x Pupils multiple ks2 rotating lines. Age: 3+

"Really useful resource to use as a teacher tool to model and for children to have a visual in front of them when answering questions."

1. Multiple Rotating Lines KS1

MUL1RLmi/1

demonstrates multiples and doubling for 2,3,4,5,10,and 11 times table. Age: 5+

2. Multiple Rotating Lines KS2

MUL2RLmi/1

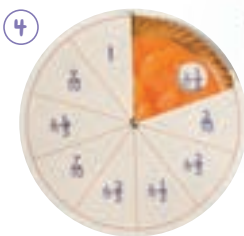

demonstrates 3, 4, 6, 7, 8 and 9 time tables. Age: 7+

Rotating lines are a useful teacher and pupil visual aid for multiplication and division. Each block rotates individually through 360 degrees. Numbers printed on 3 sides with 1 side blank which can be used for sequencing and missing numbers. Mounted on aluminium rods for durability.

Size: 43.5 x 4cm

Fractions in Action

Fractions in Action are a series of visual, innovative and progressive devices designed to help children understand fractions and their equivalents easily. When the fruit pie image is rotated, it starts to reveal visual representations of each printed fraction, displayed up to 1 whole. Use the blank reverse side for fraction estimation and practising knowledge of fractions ratios. Durable laminated finish. Age: 7+

3. The Strawberry Pie

FIA1/1 - divide into units of 1/8 equivalents for 1/4, 1/2, 3/4

4. The Tangerine Pie

FIA2/1 - divide into units of 1/6 equivalents for 1/3, 1/2, 2/3

5. The Cherry Pie

FIA3/1 - divide into units of 1/10 equivalents for 1/5, 2/5, 1/2, 4/5

FIA123 - Set of 3

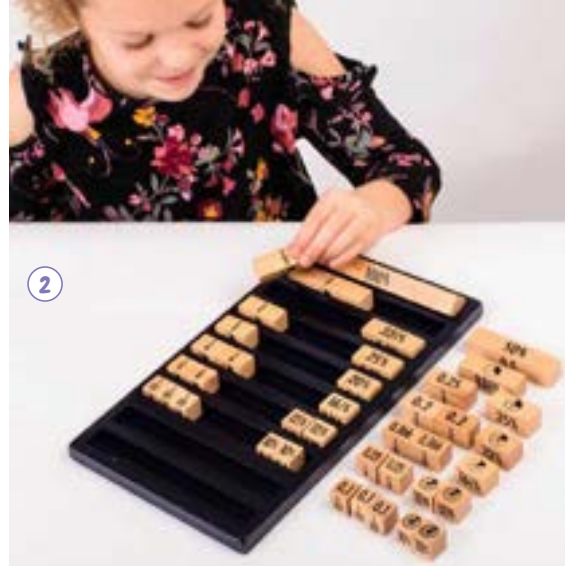

Size: 24cm dia. each

Size: 43.5 x 4cm Pupils, each

FDPLLmi/6

Size: 43.5 x 4cm Pupils, pack of 6

Fraction, Decimals & Percentages Comparison Flip Book

NUPFDP/1

A really useful all-in-one resource for comparing proper and improper fractions to decimals and percentages. The first 2 adjoining (split) card sections, enable a multitude of fractions both proper and improper to be displayed.

The remaining cards include- numbers, symbols for equal to, not equal to, less than and more than. Multi position decimal point symbol for answers up to 3 decimal places and multi position percentage symbols for answers up to 4 digits. Simple to use, printed tab system for selecting numbers and symbols required.

Durable wipe clean surface. Age: 5+

Size: 43.5 x 11cm

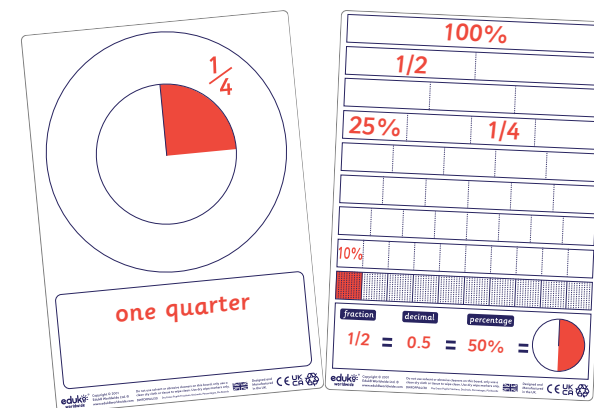

Dry Erase Fractions, Decimals & Percentages Boards

Ideal for showing the relationship between fraction, decimal, percentage and pie diagrams and equivalents. Made from durable re-cyclable plastic. Age: 7+

DWFDPPA4/30 Size: A4, pack of 30

DWFDPPA2/1 Size: A2+ (77.5 x 52cm), each

Fractions Class Pack

EDFCP/5

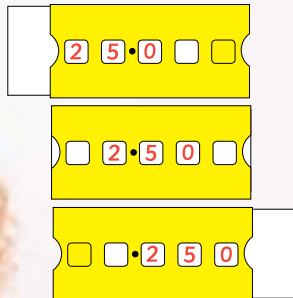

A comprehensive pack enabling children to develop a good understanding of fractions, and suitable for both KS1 and KS2. The pack also introduces percentages and decimals, which will help pupils to compare, order and see the relationship between fractions, decimals and percentages. Teachers can also use the larger versions of the Rotating Lines for demonstration. Age: 7+

Includes: 3 x Teachers fractions, decimals percentages rotating lines, 10 x pupils fractions, decimal, percentage rotating lines. 30 x fractions in action, which include 1/4, 1/2, 3/4, 1/8, 1/3, 2/3, 5/5, 1/5, 2/5, 4/5, 1/10 to whole numbers.

Pack contains:
30 x Dry Erase Fractions Decimals and Percentage boards,
6 x Fractions, Decimals and Percentages Numbers Up
Tabbed Flip Books,
30 x Pupils Decimal Sliding Lines,
6 x Fractions in Actions (strawberry)
6 x Fractions in Actions (tangerine)
6 x Fractions in Actions (cherry)

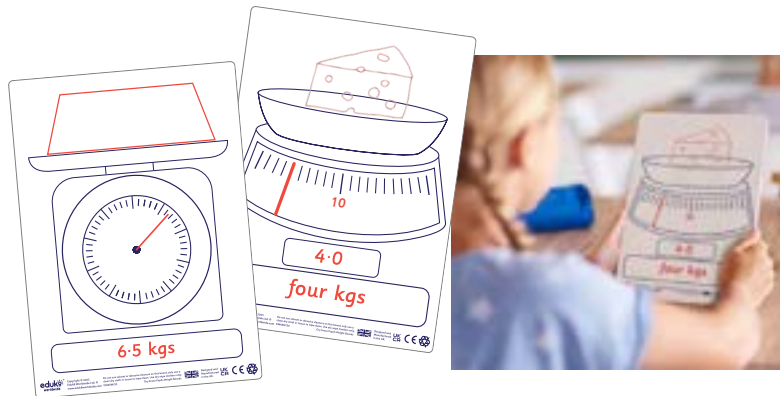

Measurement Class Pack

EDMEAS/1

Demonstrate how to use metric units to measure capacity, length, time, temperature and mass (weight) with this versatile class pack. Also how to convert metric and imperial units. Age: 5+

Kit comprises : 30 x A5 Weight boards, 1 x A3+ Weight board, 30 x A5 Measures Boards, 1 x A3+ Measures board, 30 x A4 Time Boards, 1 x A2 Time Board, 5 x Folding Metre Rulers, 6 x Pupil Elapsed Time Rulers, 1 x Demonstration Elapsed Time Ruler.

Dry Erase Weight Boards

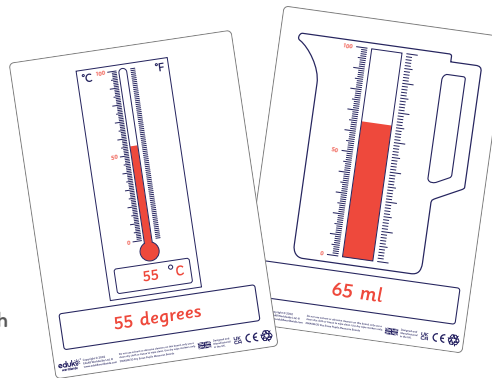

Circular weighing scale with horizontal weighing scale on reverse. Ideal for comparing metric and imperial measurements. Made from durable re-cyclable plastic. Age: 5+

DWA5W/30 Size: A5, pack of 30
DWA3W/1 Size: A3+ (52 x 38.5cm), each

Dry Erase Measures Boards

Kettle/Jug with vertical measure scale and thermometer on reverse. Metric or imperial measures can be added. Made from durable re-cyclable plastic. Age: 5+

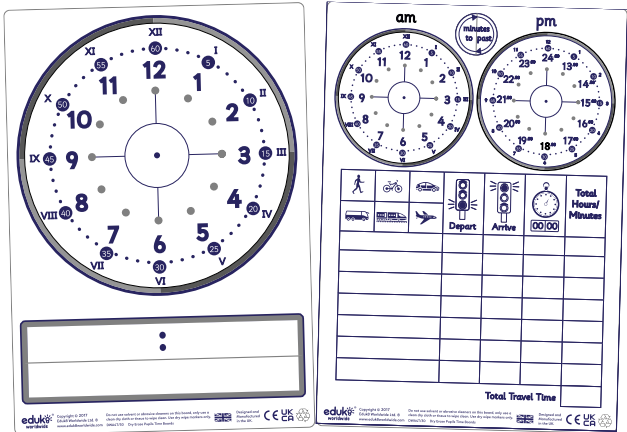

DWA5M/30 Size: A5, pack of 30
DWA3M/1 Size: A3+ (52 x 38.5cm), each

Time Pack
EDTMPK/4

Save valuable planning hours using this comprehensive Time Pack. Contains teacher and pupil resources for digital and analogue time, elapsed time and a timetable. Age: 7+
Pack contains: 30x pupil linear elapsed time, 1 x teachers linear time rulers, 30 x A4 Time boards, 1 x A2+ teachers Time board.

Dry Erase Time Boards

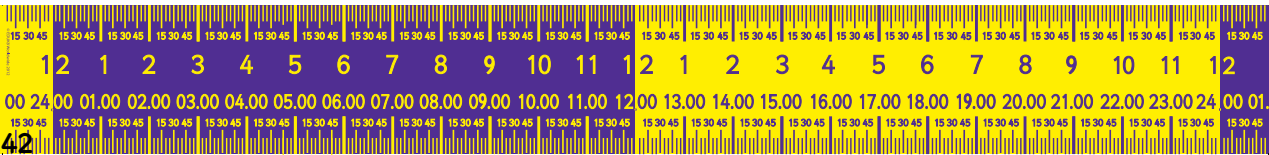

DWA4T/30 Size: A4, pack of 30
DWA2T/1 Size: A2+ (77.5 x 52cm), each

Side 1. With Hours, Minutes, Seconds, Roman Numerals and answer panel to show analogue and digital time.
Side 2: Displays AM & PM clocks for 12 Hours, Minutes, Seconds, Roman Numerals and 24 hour clock. Journey timetable grid enables calculation of time taken to travel in various modes.
Centre circles demonstrate quarters, past and to the hour.
Made from durable re-cyclable plastic. Age: 5+

Elapsed Time Rulers

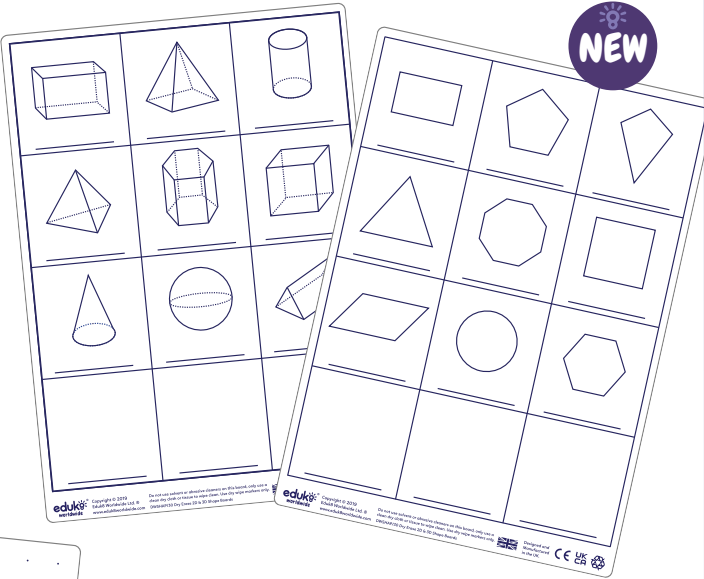

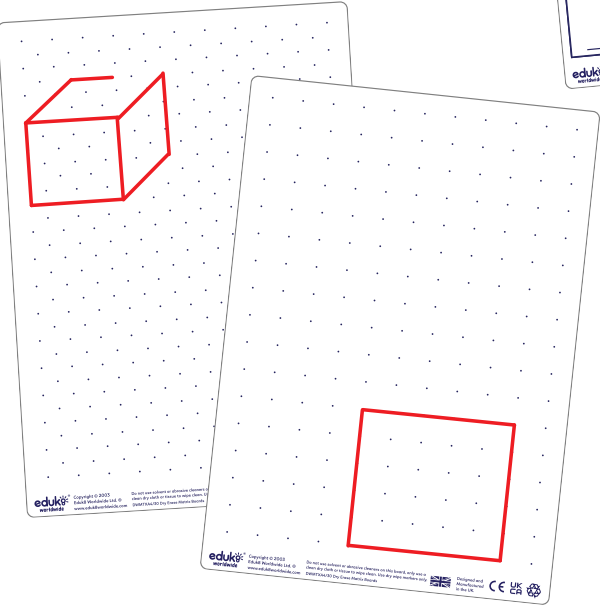

EDETR/6 Size: 50 x 4.5cm, pack of 6
EDETR/30 Size: 50 x 4.5cm, pack of 30

These linear 12/24 hour analogue/digital elapsed time rulers enable children to calculate elapsed time in a simple way. Use a dry erase pen (not supplied) to mark start and finish time. Compare the difference and relationship between analogue and digital time. Ends clip together to show continuous time. Age: 7+
Made from durable re-cyclable polypropylene.

Pupils 2D & 3D Dry Erase
Shape Boards

Side 1, 2D shapes: rectangle, pentagon, kite, triangle, octagon, square, parallelogram, circle, hexagon. With 3D shapes on reverse cuboid, square based pyramid, cylinder, triangular based pyramid, hexagonal prism, cube, cone, sphere, triangular prism. Blank spaces at the bottom of each side of the board for children to draw their own shapes. Made from durable re-cyclable plastic. Age: 3+

'Quieter classrooms' with alertz®

The new approach to dealing with, noisy classroom behaviour.

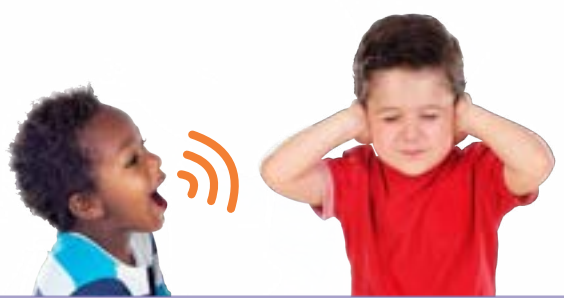

NEW

Manage unwanted and unsettling noise in the classroom and other noise sensitive settings with EDUK8's NEW electronic noise management system.

Reduces the need for teachers verbal interventions by independently responding to those responsible for unnecessary noise.

Alertz® can be set to respond to low level noises, eg. whispers, up to the noise level equivalent of a rock concert to activate.

"Excessive noise seriously harms human health and interferes with people's daily activities at school, at work, at home and during leisure time. It can disturb sleep, cause psychophysiological effects, reduce performance and provoke annoyance responses and changes in social behaviour" - World Health Organisation

Early Years Fine Motor Skills Pack

EDEYFM/7

The development of fine motor skills is an important part of physical development and the Early Years Fine Motor Skills Pack provides a wide array of activities to support children's hand-eye coordination.

Perfect for helping children to develop their fine motor skills. Age: 3+

Kit includes:
1 x fruit and veg tray,
1 x giant pipettes (set of 6 in stand)
1 x wooden lacing number cheese,
6 x soft balls
1 x wooden threading house
1 x wooden threading coloured shapes
1 x wooden threading tree
6 x tweezers
6 x pupils ambidextrous scissors

Four characters proudly display each specific mark through their design, shape and colour.

The Mark Makers™ early writing programme has been created to enable children as young as 5 months to begin developing their basic writing skills, allowing an easier transition into more advanced school taught writing.

Four simple marks make up different numbers, shapes and a variety of letters within the alphabet.

Lionel, a bright red soldier mark.

Archie, a multi coloured curved rainbow mark.

Swirlo a purple magic mark who loves circles

Ziggy, a green monster made of zig-zags

"Our testers found the books colourful and eye-catching and easy to come back to again and again. The children enjoyed following the shapes of the different characters with their fingers and interacting with the story by finding the different shapes.

This is great for developing their dexterity and hand-eye coordination, needed for holding a pencil and building their early writing skills."

Activity Book

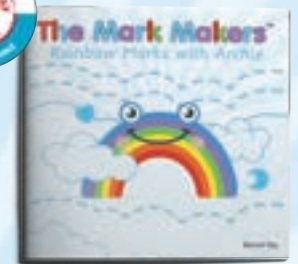

A colourful Activity book allows the child to transform their mark into letters from the Alphabet, as well as marking the shape of each character in the range.

MMACTY/1

Story Books

Within this fabulous range are four story books that follow the journey of Lionel, Swirlo, Ziggy and Archie through worlds such as Letter Land and Shape City.

Lionel Story Book - MMLI/BK
Archie Story Book - MMAR/BK
Swirlo Story Book - MMSW/BK
Ziggy Story Book - MMZI/BK
