

eduk8®
'n'play

toys that spark imagination
'n' learning through play!

Eduk8 Worldwide has been a major supplier to the UK and International educational toy sector since 2002. The educational and play needs of children are researched continuously to enable the development of great 'hands on' products. Attention to detail and quality at an affordable price, is always our focus. We are dedicated to creating products which will enhance and stimulate mental and creative growth whatever a child's ability level.

We are proud to say our products are award winning too! Our claim to fame was when Belly Bump Balls featured on BBC Breakfast TV. We are a winner of the BTHA Best New Toys Award for our range of Giant Snakes and Ladders and Ludo games, along with many other products in the range.

Due to growing awareness and demand for toys produced from recycled or sustainable materials, Eduk8 is firmly committed to reducing their carbon footprint and the use of recyclable and sustainable materials for product production.

EDUK8 'n' PLAY™ products are exclusive and designed to make a difference.

 Pack size: each
 Size: 7.5 cm
 Packaging: Header Card
 Ctn Qty: 20

The Mark Makers™ early writing programme has been created to enable children as young as 5 months to begin developing their basic writing skills, allowing an easier transition into more advanced school taught writing.

Four simple marks make up different numbers, shapes and a variety of letters within the alphabet.

Four characters proudly display each specific mark through their design, shape and colour.

Lionel, a bright red soldier mark.

Archie, a multi coloured curved rainbow mark.

Swirlo a purple magic mark who loves circles

Ziggy, a green monster made of zig-zags

Research reveals that children who have interacted with The Mark Makers®, begin school prepared and confident with their writing skills.

5 months plus

Story Books

Within this fabulous range are four story books that follow the journey of Lionel, Swirlo, Ziggy and Archie through worlds such as Letter Land and Shape City.
