COME *to*
CHAMPAGNE

The Champagne region of France is one of the most picturesque and magical places on the planet. The region's history is long, rich and enigmatic. It is where the kings of France were anointed and is home to some of the most famous families and brands in the world.

Many of these champagne houses are not open to the public, however as a guest on the Insider's Tour you will be welcomed with red carpet hospitality. I invite you to join me on my unique Insider's Tour for an unforgettable experience of the Champagne region's best.

This intimate tour will have exclusive lodgings in a magnificent 17th century Chateau for a week of pure gastronomic and sensory indulgence.

WELCOME *to the* TOUR

This amazing tour will begin and end in the romantic City of Lights, Paris. Join your hosts on the afternoon before the tour commences at the grand five star Le Meurice Hotel for an afternoon of champagne whilst we get to know one another. On the first day of the tour, you will conduct a walking tour of Paris to explore Kyla's favourite spots to eat and drink.

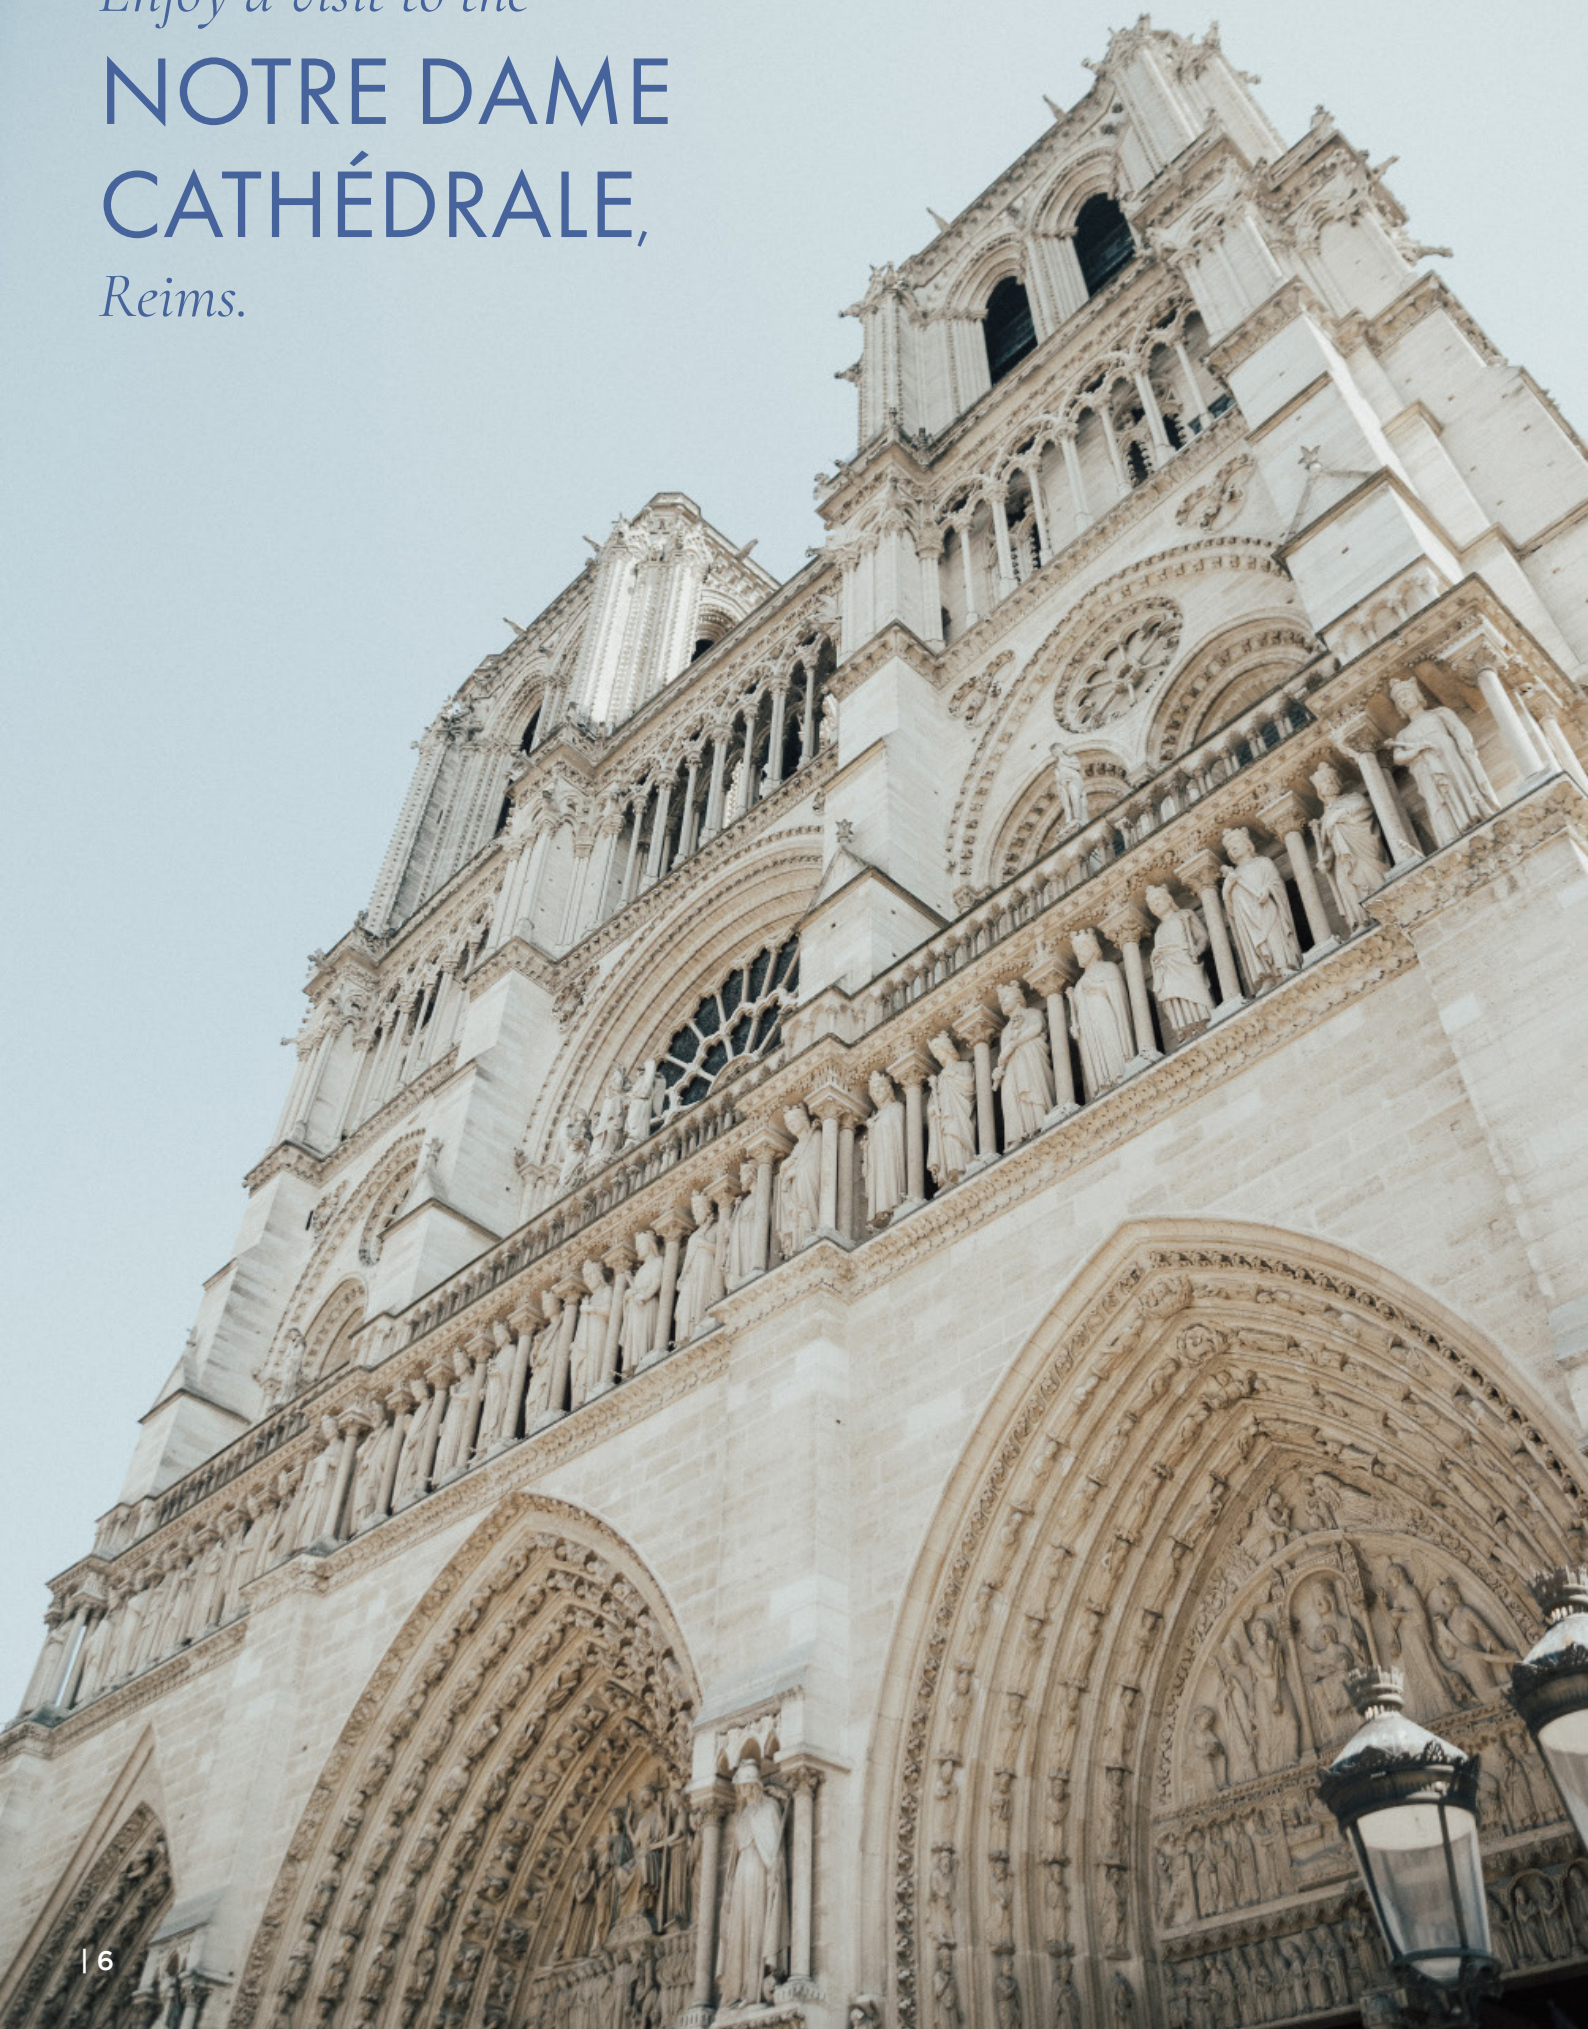

Guests will then be transported to the Champagne region for an incredible week of private tastings, lunches with the chef de cave (winemaker) and dinners with members of famous champagne families.

You will experience champagne unattainable to the rest of the world and partake in a truly unique journey.
