ENGAGEMENT RINGS

A diamond solitaire, with its round shape, has no beginning or end, making it the perfect symbol of your Infinite Love. Hearts On Fire's brilliant diamonds are elevated with extra sparkle in the form of illusion-set marquise-shaped diamond halos or glittering ring jackets that make a bold style statement. Each jacket can be matched with a classic diamond solitaire ring giving women flexibility to experiment with different looks.

WEDDING BANDS

A wedding band embellished with diamonds – diamonds are known for their strength and beauty – represents your enduring love and commitment to one another. Choose from a range of styles in various precious metals from timeless and classic eternity bands to antique-inspired designs with textured edges. Each ring can be worn alone or paired with your engagement ring for extra brilliance.
