ARCHITESSA

WHITE Paradise

Un marmo esclusivo, proveniente da Iran e Turchia, caratterizzato da un fondo trasparente simile al cristallo e da delicate venature nei toni del grigio. Un marmo insolito, che esprime la sua eleganza in contesti sia tradizionali sia moderni, garantendo una nota unica e ricercata ad ogni ambiente.

An exclusive marble from Iran and Turkey, characterised by a crystalline transparent background and delicate vein patterns in shades of grey. An unusual marble, with an elegance ideal for both traditional and modern locations, which brings a unique note of sophistication to any interior.

ARABESCATO Corchia

La raffinatezza del bianco e del grigio si sposa con le eleganti nuvolature arabescate tipiche di questo marmo dalla forte valenza decorativa. Estratto dalle Alpi Apuane esprime al meglio il suo carattere in ambienti lussuosi, adattandosi a contesti sia classici sia contemporanei.

Exquisite white and grey, together with the elegant curvy mottled effects typical of this highly delicate marble. Quarried from the Apuan Alps, it expresses its personality to the full in luxurious contexts and is suitable for both classical and contemporary design schemes.

NERO Marquina

Un abisso nero, acceso di sottili venature di luce. Nero Marquina ha il carattere forte della terra dalla quale proviene, la Spagna, fatto di contrasti estremi che si fondono in una composizione tra le più eleganti del mondo. Linee nette ed irregolari si irradiano su un fondo compatto, disegnando una superficie dal forte impatto cromatico e compositivo.

An abyss of blackness, illuminated by narrow veins of light. Nero Marquina has the strong character of its country of origin, Spain, and consists of extreme contrasts that merge to form one of the world's most elegant stones. Sharp, uneven lines criss-cross a compact background, in a surface with forceful chromatic and compositional impact.

TARSIA

Tarsia, il decoro ispirato alla tecnica dell'intarsio, presenta un disegno ornamentale composto da frammenti dei tre marmi della collezione, ritagliati e accostati in modo equilibrato per dare vita a suggestivi motivi floreali. Questo permette al decoro di essere perfettamente abbinabile ad ognuno dei tre marmi, espandendo la progettualità della serie.

Tarsia, the decor inspired by the inlay method of decoration, offers an ornamental design consisting of fragments of three marbles from the collection, cut and tastefully combined to create attractive floral motifs. This means that the decor provides a perfect match with each of the three marbles, to expand the design potential of the series.
