DESCRIPTION

BROOKLYN is a collection of stone-look porcelain tile that draws inspiration from urban colors and brings an industrial chic look to the table. The Ivory color is a blend of beige and light gray, resembling light-colored stone such as limestone, and the grey color is a darker, traditional stone-look tile. BROOKLYN comes in 3 sizes, 12x24" field tiles, 2x2" mosaic, and 3x24" bullnose. As a glazed porcelain tile, it is durable, versatile, and rated for heavy commercial traffic. This contract collection is priced affordably for projects of all sizes. Sustainability is at the forefront of this tile's design, containing 10% pre-consumer recycled content.

INSTALLATION & MAINTENANCE

BROOKLYN may be installed using standard porcelain installation methods and materials, as recommended by the Tile Council of North America (TCNA). An Architessa sales representative will advise you on general installation questions.
