DESCRIPTION

Our CANON collection of porcelain tile is inspired by the natural travertine stone's beauty, strength, and textures. It is a durable yet, light material in four colors and various sizes with matte and polished finishes. Two mosaic types and trim pieces are also offered to accommodate any architectural design concept.

INSTALLATION & MAINTENANCE

CANON may be installed using standard porcelain tile installation methods and materials, as recommended by the Tile Council of North America (TCNA). An Architessa sales representative will advise you on general installation questions.
