## DESCRIPTION

CHECKERBOARD is a collection of 10x10 natural tumbled natural stone tiles designed to be arranged in a checkerboard pattern. Checkerboard floors and backsplashes have become increasingly popular in recent years, making checkerboard tile a trending design element. These tumbled marble tiles come in 4 colors - elegant white carrara marble, neutral coastal grey marble, tantalizing moss green marble, and the dark tulip black marble. CHECKERBOARD marble tile takes the pattern to the next level by adding the soft look of tumbled marble into the mix, creating unparalleled contrast & texture. Design a space that stands out from the rest with CHECKERBOARD.

## INSTALLATION & MAINTENANCE

CHECKERBOARD may be installed using standard stone tile installation methods and materials, as recommended by the Tile Council of North America (TCNA). An Architessa sales representative will advise you on general installation question.

## TECHNICAL INFORMATION

TYPE: NATURAL STONE  
ORIGIN: TURKEY
