Lead times for specialty & non-stocked items varies depending on product ordered, quantity, and destination. Please contact Architessa to determine the lead time to order samples and material.

DESCRIPTION

The DISTRICT collection is the perfect blend of industrial and luxuriousness. This cement look is versatile in both honed and textured finishes, making DISTRICT ideal for any modern and contemporary setting.

INSTALLATION & MAINTENANCE

DISTRICT may be installed using standard ceramic tile installation methods and materials, as recommended by the Tile Council of North America (TCNA). An Architessa sales representative will advise you on general installation questions.
