DESCRIPTION

Discover the elegance of LA TERRAZZA terrazzo tile, authentically crafted in Italy, where centuries-old traditions blend seamlessly with the modern aesthetic. This genuine terrazzo tile is a masterpiece of design, featuring fine Italian marble embedded in a luxuriously honed cement body, offering a unique touch to any space. With 8 perfectly curated colors, ranging from sophisticated monochromes to warm beiges, each tile presents varying flake colors, patterns, and sizes.

INSTALLATION & MAINTENANCE

LA TERRAZZA may be installed using standard terrazzo installation methods and materials, as recommended by the Tile Council of North America (TCNA). An Architessa sales representative will advise you on general installation questions.

Around the La Terrazza Factory:

- A photovoltaic system is used to produce energy. Around 7% of the total energy for the factory is produced using this.
- Water used for cutting is recycled. The water is strained through filter-press systems, then clean water is returned for use in the factory.
- Supplier of raw materials uses sustainable business practices in the extraction and processing of said materials.
- The Thinner thickness than traditional Terrazzo tiles allows for lower consumption of combustibles and reduces the carbon footprint.
- Waste is recycled and used in road construction
