DESCRIPTION

MIDAS is a stone look porcelain tile collection that can transform any room into a work of art. Warm colors and distinct veining create vivid, earthy patterns. MIDAS also pairs well with gold fixtures, living up to its name. This collection is available in field tile, large format tile, bull nose tile, and a 2x2 matching mosaic. Durable porcelain, neutral colors, and a variety of sizes make this collection as versatile as possible.

INSTALLATION & MAINTENANCE

MIDAS may be installed using standard ceramic tile installation methods and materials, as recommended by the Tile Council of North America (TCNA). An Architessa sales representative will advise you on general installation questions.
